Chapter I

Title

Begin typing and use the heading and sub-heading levels as determined by your style format (APA, MLA, U of Chicago, etc.)

To insert tables and figures use the examples below with 4 lines or two double spaces before and after. For fonts, italics, etc. of table numbering and titling refer to your style manual. Refer to your table prior to presenting it. In Table 1, 16 boxes appear.

Table 1.

Caption or title of table.

Chapter 3

TITLE

Begin typing Chapter 3 Content.
Chapter 4

TITLE

Begin typing here

**Though many theses and dissertations end with Chapter 5, quite often there are subsequent chapters and so we have ended here with Chapter 4. Add as many chapters leading into the final chapter as required by your committee.**
