## PROGRAM LEADERSHIP OPPORTUNITIES

### EXCLUSIVE COURSE OFFERINGS

- Students in the program enroll in a unique multidisciplinary set of courses, focusing on the development of leadership and critical thinking skills through a curriculum taught by select faculty. From the first year on campus to the senior thesis, students in this program will have opportunities to engage in leadership development opportunities that will inspire deep learning and prepare them for career success.

### ALUMNI MENTOR PROGRAM

- Alumni Mentors serve as a contact for internship opportunities, engage with students in chats, one-on-one, engage with students in chats, in groups, and offer tours and connections that provide students an inside look at the job and skills that will help them prepare for success.
- AMP is hosted on LinkedIn and crosses with the Honors Alumni Advisory Council.

### GLOBAL LEADERSHIP

- Leadership seminars and topics fosters experiential learning and leading opportunities for students taught by world-class experts.
- Honors Leadership Community helps students identify their big-picture goals, aspirations, networks, etc.
- Reaud Leadership Institute focuses on leadership development, global influence, and a variety of experiential learning opportunities to help students grow into influencers.
- Study Abroad opportunities to help students define their study pathway for academic credit.

### RESEARCH AND SCHOLARSHIP

- Student research and scholarship support opportunities through the support of the Office of Undergraduate Research and Research and Sponsored Programs.
- Major/minor specific research projects led by expert faculty mentors build on student learning goals
- Honors Scholars Day offers students the ability to present and share their research and capstone projects with students, faculty, and the community.
- Study Abroad opportunities to help students define their study pathway for academic credit.

### STEPPING UP CIVIC LEADERSHIP

- Stepping Up Civic Leadership Program where students serve on the local 501(c)3 boards and participate in volunteer opportunities in the community.
- Model United Nations emulates the real-world Model United Nations events focusing on world peace and problem-solving for global issues and concerns.
- Honors Experiences offer students a variety of experiences from civic leadership to volunteerism.
