

LAMAR UNIVERSITY
REINSTATEMENT PROCEDURES
Department of Homeland Security
United State Citizenship & Immigration Services (USCIS)
8 CFR 214.2 (f) (16)
Revised: May 17, 2019

Department of Homeland Security (USCIS - DHS) Director may consider reinstating an F-1 student who makes a request for reinstatement on Form I-539 (Application to Extend/Change Non-immigrant Status) accompanied by a properly completed SEVIS Form I-20 indicating the P/DSO's recommendation for reinstatement. The district director may consider granting the request if the student:

- A. Has not been out of status for more than 5 months at the time of filing the request for reinstatement (or demonstrates that the failure to file within the 5 month period was the result of exceptional circumstances and that the student filed the request for reinstatement as promptly as possible under these exceptional circumstances);
- B. Does not have a record of repeated or willful violations of Service regulations;
- C. Is currently pursuing, or intending to pursue a full course of study in the immediate future at the school which issued the Form I-20;
- D. Has not engaged in unauthorized employment;
- E. Is not deportable on any ground other than section 237 (a)(1)(B) or (C)(I) of the ACT;
- F. Establishes to the satisfaction of USCIS, by a detailed showing, either that:
 - The violation of status resulted from circumstances beyond the student's control. Such circumstances might include serious injury or illness, closure of institution, a natural disaster; or inadvertence, oversight, or neglect on the part of the PDSO/DSO. This does not include instances where a pattern of repeated violation or a willful failure on the part of the student resulting in the need for reinstatement.
 - The violation related to a reduction in the student's course load that would have been within a PDSO/DSO's power to authorize, and that failure to approve reinstatement would result in extreme hardship to the student.

If USCIS reinstates the student, the adjudication officer will update SEVIS to reflect the decision. If USCIS does not reinstate the student, the student may not appeal the decision.

FINAL RULE: Specifies two specific grounds of eligibility for reinstatement. This new provision makes students that have been out status for more than 5 months ineligible for reinstatement, unless they can show exceptional circumstances. The final rules tightens the criteria for what constitutes "beyond the student's control," but does recognize certain failures on the part of the PDSO/DSO as circumstances beyond the control of the student. The only ground for reinstatement that does not depend on circumstances beyond a student's control are situations where the student reduced his or her course load without prior PDSO/DSO approval, and where the reduced course load (RCL) would have been in the PDSO/DSO's power to authorize. To qualify for reinstatement on this ground, the student would have to also show that not being reinstated would result in "extreme hardship" to the student.
