15. Statement of Financial Commitment and Schedule Agreement:
 This statement is to inform you of Lamar University and Tropical Biology Program (TBP) policies regarding financial and scheduling expectations for maintaining acceptance in the TBP. All students must enroll and pay tuition and fees for both program courses (eight credit hours total) at the undergraduate or graduate level by May 4, 2022. In addition, the travel fee of \$3,650 must be paid on scheduled installment dates. Apply & make payments by clicking on the appropriate buttons on the Study Abroad website.

Application Deadline: February 1, 2022
 (\$200 deposit due as soon as a student applies to reserve their spot)
 1st Payment: \$1,725 due on Feb. 15, 2022
 2nd Payment: \$1,725 due on March 15, 2022 (full program cost due)

Students who drop from the program *AFTER* the 1st payment due date will still be responsible for *HALF* the program cost. Students who drop from the program *AFTER* the final payment due date will still be responsible for the *FULL* program cost.

Program travel fee payments are non-refundable upon acceptance into the program. Academic issues that will result in removal from the program without refund of program travel fee payments include: 1) Not maintaining a cumulative GPA of 2.00 at the completion of the Spring 2022 semester; 2) not having completed all program pre-requisites ('C' or better in BIOL 1406 & 1407) prior to the start of the study abroad program; and 3) not attending pre-travel program meetings and pre-travel lectures in May Mini-session (see below). Dropping the courses once registered, either intentionally or due to non-payment, will remove you from the program without refund of travel fee payments. If students withdraw from the program after receiving the Study Abroad Fee Grant, those funds will be owed back to Lamar University.

During the spring semester there will be mandatory group meetings called by Dr. Hoch or the Office of Study Abroad to review travel plans, logistical issues, and pre-departure orientation to prepare students for a rewarding experience in Belize. Although you will be enrolled in the program courses for Summer Session 1, the Lamar University campus lectures will begin during the days of the May Mini-session, May 11-27 2022. Classes during the May Mini-session will meet from 8:00 a.m.-12:00 p.m. Planned travel for June 2-15, 2022.

Important note about program payments for LU faculty-led programs All program payments are made to the LU Cashier's Office using a debit card, personal check, cashier's check, money order, cash, and/or wire transfer. Ask your program director about payment deadlines. All program payments are non-refundable. Payment of LU tuition and fees for the courses offered on study abroad programs is due separately from trip payments and should be made to the LU Cashier's Office at the time tuition is due for your term abroad.
