

## Mary & John Gray Library Strategic Plan

### Engage, Inform, Transform

**Mission:** The Mary and John Gray Library cultivates student learning, supports individual and collaborative scholarship, and contributes to academic and professional achievement.

**Vision:** A community that values knowledge, scholarship, and development of professional skills.

#### ENGAGE

##### Goal:

##### **Contribute to the retention, graduation and future success of students**

*Strategy: Provide increased support for online and face to face classes*

*Strategy: Increase support for digital learning through collaboration with digital learning faculty*

##### Goal:

##### **Collaborate with staff and faculty on instructional and research projects**

*Strategy: Implement an institutional repository that highlights student and faculty research*

*Strategy: Partner with campus units to create student and faculty programming*

#### INFORM

##### Goal:

##### **Tell the Mary & John Gray Library's story.**

*Strategy: Enhance the visibility of Special Collections and Archives*

*Strategy: Communicate through data our value to the university administration*

*Strategy: Host public events to promote library services and resources*

#### TRANSFORM

##### Goal:

##### **Expand professional development opportunities for library faculty and staff**

*Strategy: Support library faculty and staff in attending workshops and conferences*

*Strategy: Create cross-training opportunities for staff*

##### Goal:

##### **Reimagine library spaces to facilitate and stimulate inspiration and collaboration**

*Strategy: Redesign library spaces through innovative furnishing and learning tools*
