**Lamar University**

A Member of The Texas State University System

## ***Mission Statement***

Lamar University is a comprehensive public institution educating a diverse student body, preparing students for leadership and lifelong learning in a multicultural world, and enhancing the future of Southeast Texas, the state, the nation, and the world through teaching, research and creative activity, and service.

## ***The Master of Science Health Promotion Degree Online***

This is an in-depth examination of Community Health theory, research, and practice in Health Promotion program assessment, planning, implementation, and evaluation. Topics include current issues, epidemiology, behavior, psychosocial, and socioeconomic factors and determinants influencing Health status.

## ***Online Degree Program***

Lamar University is a fully accredited university with excellent credentials for online degrees. The ONLINE M.S. Degree includes 30-36 required graduate hours with a thesis or non-thesis option.

Thesis Option = 30 hours course work minimum (24 hours of course work and minimum 6 hours of thesis).

Non-Thesis Option = 36 hours of course work (minimum).

The Online M.S. in Health Promotion breadth of study includes research, formative experiences and scholarly development to prepare for a professional Health career.

## ***Faculty***

All faculty have advanced degrees in Health, Kinesiology & Pedagogy, Exercise Physiology, Exercise Science, or related disciplines.

Faculty: Drs. Joel Barton, Barbara Hernandez, Israel Msengi, & George Strickland. Part time faculty: Drs. Dan Chilek and Charles Nix.

## ***Research***

Graduate faculty members publish professionally at all levels and are regularly involved in research and publications with students and other faculty. Online library access for students facilitate research projects.

## ***Delivery Method***

This ONLINE Master of Science degree is delivered through distance education via the Internet. This is e-learning with the convenience and flexibility of a virtual classroom using the Blackboard course management system.

## ***Admission Requirements***

Students must meet College of Graduate Studies general degree requirements and HKN Departmental requirements. All applicants for full admission must meet the institutional GRE and GPA standard according to the formula  $(\text{GPA} \times 200) + (\text{GRE V} + \text{Q}) = \text{or} > 1350$ . International students must meet additional requirements.

## ***Financial Support***

This is available in the form of loans, grants and scholarships for qualified students. Contact the Director of Financial Aid, P. O. Box 10042, Beaumont, Texas 77710. Health and Kinesiology Departmental Scholarships and Graduate Assistantships available for qualified applicants. Contact the HKN department for more information.
