### Tuition Information

- Reduced rate tuition for dual credit students in the Online program is \$133 per credit hour or \$399 for a 3 hour course. **However, a dual credit scholarship will be applied that lowers dual credit course costs to \$150 for a 3-hour course and \$200 for a 4-hour course. These scholarships are automatically generated and applied to students' accounts – no scholarship applications are necessary.**
- **Incentive for Exemplary Grades:** Students who earn final grades of A's or B's in their Fall 2019 dual credit courses will receive a discount on tuition for Spring 2020 dual credit courses. A final grade of an A or B in a fall dual credit course will result in a 50% tuition reduction in a spring dual credit course. This is a course-for-course incentive, and the financial benefits of this incentive are only applicable to the subsequent spring semester and will not carry over to future summer, fall, or spring semesters.
- Students who do not pay at least half of their tuition by the first payment deadline (January 13) will be dropped from courses.
