

The chart below indicates whether Lamar University's professional licensure programs meets educational requirements in each state. If you are enrolled in a certification program that results in a certificate from Lamar University but does not lead to professional licensure or certification by an outside entity, it will not be listed on this chart. Please note, Lamar University programs leading to professional licensure or certification are designed to meet licensure requirements in Texas. Many programs lead to licensure in other states, but additional coursework may be required. Please contact the **state licensure and authorization officer** if you have questions concerning applicable licensure/certification board(s) requirements in any state you may want to pursue licensure/certification in prior to beginning an academic program in order to determine whether the program meets the educational requirements. For questions regarding a program marked unknown or no* for a particular state, please contact the **state licensure and authorization officer**. For general questions regarding licensure, please contact **blackboard@lamar.edu** or the **state licensure and authorization officer**.
