

University Institutional Effectiveness Committee

Core Curriculum Assessment Sub - Committee

DRAFT

Charge: The charge of this committee is to ensure compliance with SACSCOC Standard 8.2.b and requirements of THECB Core Curriculum reporting. The committee will establish and monitor program-level core curriculum learning objectives and plan their assessment. Specifically, the Core Curriculum Committee undertakes the following activities:

- 1) Develops and conducts annual assessment of core competencies for the seven core areas as well as the multicultural and foreign language requirements;
- 2) Establishes benchmarks for the six Core Objectives;
- 3) Advises academic programs on how to improve the effectiveness of core curriculum courses based on the results of its assessment activities;
- 4) ensures compliance with THECB and SACSCOC reporting guidelines.

Members: Members of the committee represent the five colleges, the library, and distance learning. All members should have assessment experience. The chair of the committee is appointed by the Provost.
