# FSSE 2019

## Frequencies

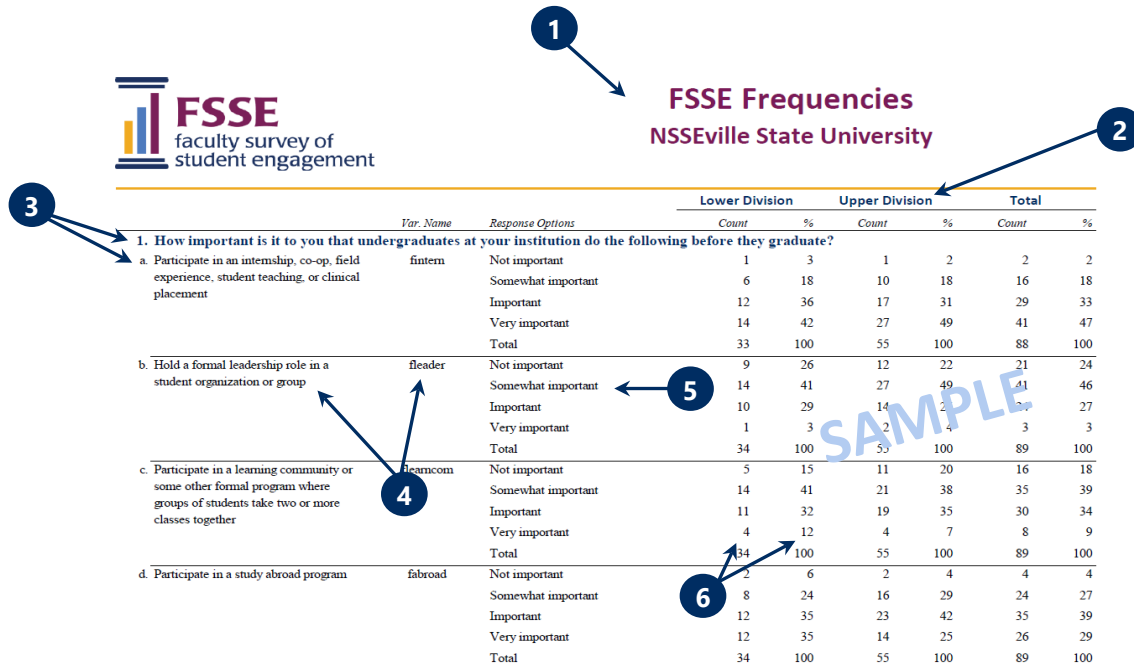

Lamar University

---

The display below highlights details in the FSSE *Frequencies* report that are important to keep in mind when interpreting your results. For more information about the survey, please visit our website ([fsse.indiana.edu](http://fsse.indiana.edu)) or contact a member of the FSSE team.

- Sample:** The FSSE *Frequencies* report is based on information from all faculty at your institution who responded to the survey based on their experiences teaching either a lower- or upper-division course. Faculty who responded based on another type of course or who did not report the course level are not included in this report.
- Class level:** Frequency distributions are reported separately for faculty who teach lower-division and upper-division courses.
- Item numbers:** Item numbering corresponds to the survey facsimile included in your *Institutional Report* and available on the FSSE website.

**FSSE Frequencies**  
NSSEville State University

	Total						

- Item wording and variable names:** Survey items are in the same order and wording as they appear on the instrument. Variable names are included for easy reference to your data file and codebook.
- Response options:** Response options are listed just as they appear on the instrument.
- Count and column percentage (%):** The Count column contains the number of faculty who selected the corresponding response option. The column percentage represents the percentage of faculty selecting the corresponding response option.
