The Lamar University Annual Security and Fire Report is published each year to provide you with information on security-related services offered by the university in compliance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act. This booklet was prepared with information provided to the Lamar University Police Department (LUPD) by the Beaumont Police Department and the Lamar University Division of Student Engagement. It summarizes university programs, policies, and procedures designed to enhance your personal safety while you are here at Lamar. For statistical purposes, crime statistics reported to any of these sources are recorded in the calendar year the crime was reported. A written request for statistical information is made on an annual basis to all Campus Security Authorities (as defined by federal law) and to all University Deans, Directors, and Department Heads.

All of the statistics are gathered, compiled, and reported to the University community via this report, which is published by Lamar University Police Department. LUPD submits the annual crime statistics published in this brochure to the Department of Education (ED). The statistical information gathered by the Department of Education is available to the public through the ED website.

The commonly reported crimes, requests for service, and provisions for the safety of the Lamar community on a 24-hour basis are like those of a city. We take campus security very seriously and are committed in our efforts to maintain a safe, secure environment for our students, faculty, staff, and visitors. Your personal safety is a priority at Lamar. Maintaining a safe campus requires a dedicated partnership between the faculty, staff, and students of Lamar University, the neighbors in our surrounding community, and the Lamar University Police Department. Security is everyone’s responsibility. We need your cooperation and assistance to keep Lamar a safe place to live, work, and learn.

**University Police Department**

The Lamar University Police Department comes under the direction of the Division of Student Engagement and is an integral part of providing a safe and secure community in the south end of Beaumont. As one of Southeast Texas’ larger law enforcement agencies, the Lamar University Police Department provides comprehensive law enforcement and security services to all components of Lamar University as well as much of the surrounding neighborhood. Commissioned and non-commissioned officers staff the department. Lamar University Police Department police officers are commissioned as peace officers under Texas Education Code 51.203 and are certified police officers under the requirements of the Texas Commission on Law
Enforcement. Officers are sworn with the full powers of arrest and mandated to enforce all applicable federal and state laws, as well as local ordinances.

All of Lamar’s commissioned officers have successfully completed law enforcement training at a state-certified police academy. In addition, all officers are required to attend annual in-service as well as on-the-job training. Full time police officers, security officers, and campus safety officers are assigned regular shifts across campus and in Cardinal Village. Additionally, security cameras, strategically located across campus, are recorded by the University Police Department 24 hours a day.

The Lamar University Police Department maintains a strong working relationship with state and local police agencies, including the Beaumont Police Department.

While there are no written agreements or memorandums of understanding regarding any topics including the investigation of criminal incidents between LUPD and the Beaumont Police Department, Beaumont police officers routinely work and communicate with campus officers on serious incidents that occur on or near campus. Lamar University operates no off-campus housing or off-campus student organizations officially recognized by the University; however, many graduate students and some undergraduate students live in neighborhoods surrounding Lamar. While the Beaumont Police Department has primary jurisdiction in areas off campus, Lamar University police officers can and do respond to incidents that occur near campus. Lamar University police officers have direct radio communications with the city police, fire department, and ambulance services to facilitate rapid response in any emergency.

individuals who are considered a threat to the well-being of the University community. LUPD provides 24-hour patrol of campus property and facilities, and designated building coordinators establish and maintain access to their respective buildings. Residence Hall access is by campus issued proximity card.

**SECURITY CONSIDERATIONS USED IN THE MAINTENANCE OF CAMPUS FACILITIES**

Lamar University maintains campus facilities and landscaping in a manner that minimizes hazardous and unsafe conditions. LUPD and Facilities Management regularly patrol the campus and promptly address insufficient or malfunctioning lighting, defective door locks, overgrown shrubbery, or other physical conditions in need of attention to enhance safety and security. Members of the Lamar University community are encouraged to report locations of concern to University Police or to Facilities Management.

**RESIDENCE HALLS**

The Lamar University student resident community accommodates 2500 students in double occupancy suites with private bedrooms. Services and programs intended to enhance the quality of life and to ensure the security and safety of the residents are a major priority of the university. The Cardinal Village staff includes a Director of Housing and Residence Life and full time Residence Directors/Assistant Directors as well as Resident Assistants for each residence hall. Security and safety policies and procedures, especially regarding locking individual rooms, building entrances and related precautions are discussed with residents in crime prevention seminars, in building meetings, and in printed materials which are posted and distributed.

**BLACKBOARD CONNECT-ED**

Lamar University has a notification system to reach individual students via e-mail, voice messages and/or text messaging. Incoming students should verify their primary phone number through Self-Service Banner. New employees should also verify their primary phone number through Self-Service Banner.

**SHUTTLES AND WALKING ESCORTS**

The Lamar University Police offers free shuttle service from 5:00 p.m. to 1:00 a.m. daily. Students utilizing this service must have a valid student I.D. The shuttle service provides transportation for students on campus and within the immediate vicinity of the campus. Students should call 409-880-7777 for this service.
EMERGENCY PHONES

Forty emergency phones have been placed at strategic locations on campus. These phones include emergency call stations that are on white posts with blue lights on top. When an emergency phone is activated, the location of the call is automatically identified, and the caller is connected to the police department. Locations of the telephones are marked on all parking maps and safety brochures. Individuals with hearing impairments should remain at the phone until an officer arrives.

TIMELY WARNINGS AND REPORTING CRIMINAL ACTIONS

In the event a crime is reported within the LU Clery Geography (On Campus, Public Property and Non campus property), that, in the judgment of the Chief of Police, or designee, constitutes a serious or continuing threat, a campus wide “timely warning” notice will be issued.

Reporting criminal actions and timely warnings refers to policies, procedures and facilities for reporting criminal actions or other emergencies occurring on campus and the University’s response to such reports. The current campus policy for making timely reports to members of the campus community and patrol zone residents follows:

LAMAR UNIVERSITY POLICE DEPARTMENT HAS A RESPONSIBILITY TO PROVIDE TIMELY WARNINGS ABOUT REPORTED CRIMES TO THE CAMPUS COMMUNITY IN A MANNER THAT WILL AID IN THE PREVENTION OF SIMILAR CRIMES.

THE DECISION TO ISSUE A TIMELY WARNING

Timely Warnings are typically issued for the following Uniform Crime Reporting Program (UCR)/National Incident Based Reporting System (NIBRS) crime classifications:

- Murder/Non-Negligent Manslaughter
- Aggravated Assault (cases involving assaults among known parties, such as two roommates fighting which results in an aggravated injury, will be evaluated on a case-by-case basis to determine if the individual is believed to be an ongoing threat to the larger LU community)
- Robbery involving force or violence (cases including pick pocketing and purse snatching will typically not result in the issuance of a Timely Warning Notice, but will be assessed on a case-by-case basis)
- Sexual Assault (considered on a case-by-case basis depending on the facts of the case, when and where the incident occurred, when it was reported, and the amount of
information known by the Chief of Police, or designee). In cases involving sexual assault, they are often reported long after the incident occurred, thus there is no ability to distribute a “timely” warning notice to the community. All cases of sexual assault, including stranger and non-stranger/acquaintance cases, will be assessed for potential issuance of a Timely Warning Notice.

- Major incidents of Arson
- Other Clery crimes determined necessary by the Chief of Police, or his or her designee in his or her absence.

Timely Warning Notices may also be posted for other crime classifications and locations, even though that is not required by the law, at the sole discretion of Lamar University.

Timely Warning notices are usually written by the Chief of Police or designee and distributed by the Lamar University Police Department. Warnings will contain information about the nature of the threat and allow members of the community to take protective action.

Timely Warning Notices will be distributed as soon as pertinent information is available, in a manner that withholds the names of victims as confidential, and with the goal of aiding in the prevention of similar occurrences.

**METHOD OF DISTRIBUTION**

1. The warning must be distributed in a manner most likely to reach the entire campus community and patrol zone residents.
2. Depending on the circumstances, any of the following methods, or combination thereof, may be used
   a. Posting notices on social media
   b. Campus-wide email distribution to all LU assigned email accounts
   c. Text messages
   d. Activation of the campus siren system
   e. Posting to the Lamar University home page
   f. Press releases

Individuals may report alleged criminal actions (Including sex offenses) or emergencies that occur on the campus of Lamar University through any of the following means. Call LUPD at 409-880-8307 or 409-880-7777 at LUPD located at 211 Redbird Lane, Beaumont, TX 77710.

1. Use an emergency telephone, designated by a blue light on a blue pole
2. Dial 911
3. Contact an officer in uniform, a campus safety officer in uniform, or a security guard in uniform
4. Ask any LUPD supervisor to assist with reporting a crime
5. Students can contact the Dean of Students, Title IX Director, Director of Health Center
6. Employees can contact the Title IX Director

The institution is not required to issue a Timely Warning with respect to crimes reported to a pastoral or professional counselor.

**Response to a Report**

LUPD will review reports of alleged criminal activity it receives and either dispatch an officer immediately or refer the report for subsequent investigation, depending upon the nature and seriousness of the offense involved. Individuals reporting an alleged crime should attempt to preserve evidence that might prove the crime was committed. All criminal incidents are investigated by LUPD. LUPD responses include, but are not limited to:

1. Immediate response to emergencies through dispatch of one or more officers
2. Asking the victim to report to LUPD to file an incident report
3. Investigation of reports in accordance with LUPD procedure
4. Arrest and filing of charges, depending on the circumstances of the incident
5. Referring alleged offenders to appropriate campus agencies, such as the Dean of Students for potential action, as appropriate. LUPD Investigators will investigate a report when it is deemed appropriate. Additional information obtained via the investigation will also be forwarded to the Dean of Students.
6. If assistance is required from the Beaumont Police Department or the Beaumont Fire Department, LUPD will contact the appropriate unit. If a sexual assault or rape should occur, staff on the scene, including LUPD, will offer the victim a wide variety of services.
7. All reported crimes will be investigated by the University and may become a matter of public record.
8. Issuing timely warnings of crimes that represent a threat to the campus community.

If a situation arises, either on or off campus, that in the judgment of the Chief of Police or designee constitutes an ongoing or continuing threat, a campus-wide timely warning will be issued. The warning will be issued through the University Connect-Ed email and text alert to students, faculty, and staff. If deemed appropriate by the Chief of Police or designee, the timely
warning will be placed on the LUPD web site. Depending on circumstances, other measures may be taken, including by not limited to, use of telephones, publication in print media, or broadcasts through campus television.

**Voluntary Confidential Reporting**

Victims or witnesses wishing to make voluntary reports of criminal activity in confidence may do so by requesting that the agency or person to whom a report is made maintain confidentiality regarding the identity of the individual making the report. Reports of this nature will be honored to the extent permitted by state law, criminal investigatory requirements, and university judicial processes. These confidential reports are counted and disclosed in the crime statistics for Lamar University but, as with all other crimes included in the annual crime report, no personally identifiable information is included.

Students may also report incident of crime to any Lamar University Administrator, or employee identified as a Campus Security Authority, who is then responsible for promptly notifying the police of the reported incident. The police will determine whether the crime is Clery reportable.

**Pastoral and Professional Mental Health Counselors**

Professional Mental Health Counselors, when acting as such, are not considered to be a campus security authority for Clery Act purposes and are not required to report crimes. Counselors are encouraged, when they deem it appropriate, to inform persons being counseled of the procedures to report crimes on a voluntary confidential basis to LUPD. If the student is willing to report the incident, the counselor will file the report following LU policy and procedure. If the student wishes to remain anonymous, as a matter of policy, the professional counselors will then submit a Maxient report of anonymity with the intent of Clery Act tallying. Information included in the report will include age and sex of the victim, location of the incident, age and sex of the alleged assailant and association to the university.

*Pastoral Counselor*

An employee of an institution, who is associated with a religious order or denomination, recognized by that religious order or denomination as someone who provides confidential counseling and who is functioning within the scope of that recognition as a pastoral counselor.

---

2 https://www.lamar.edu/police/
Professional Counselor

An employee of an institution whose official responsibilities include providing psychological counseling to members of the institution’s community, and who is functioning within the scope of his or her license or certification.

Please note that reports of sexual violence and other violations that may be sex- or gender-based will be reported to the Title IX Coordinator and cannot be held in confidence.

The University does encourage professional counselors to notify individuals they are counseling of the option to report crimes on an anonymous or confidential basis for inclusion in the annual statistical disclosure of crime statistics. The university does not employ any pastoral counselors.

CRIME PREVENTION

Lamar University offers a variety of informative programs for students and employees dealing with how to report and prevent crimes. These programs are available several times a year and on request by student groups, employees, or individuals. Please call 409-880-7750 for further information on these programs.

One of the essential ingredients of any successful crime prevention program is an informed public. It is the intent of Lamar University to inform students of good crime prevention and security awareness practices.

Effective crime prevention is often a matter of common sense and being aware of one’s surroundings:

- Walk with friends in well-lighted areas.
- Always lock your car.
- Park in well-lighted areas.
- Have your keys ready when you approach your car and check the front and back seats before entering.
- Keep your keys secure, lock your room or apartment, and do not leave personal belongings unattended.
- Engrave your name or identification on personal property.
- Be alert for strangers.
- If you are followed, cross the street, change direction, and go to a well-lighted public area.
- Report the loss or theft of keys and valuables immediately to the University Police Department, 880-7777.
- Report crimes, suspicious situations, and security concerns immediately to the University Police Department, 880-7777.
CRIME PREVENTION PROGRAMS:

During the 2020 calendar year, LU offered approximately 13 crime prevention and security awareness programs. Topics such as personal safety, residence hall security, drug and alcohol abuse awareness and sexual assault prevention are some examples of programs offered during the year.

Due to restrictions placed on the University in response to the COVID pandemic, in person training presentations were suspended. Training given by the LUPD during Human Resources Orientations were pre-recorded and presented in a video format on the 1st and 15th of each month.

All crime prevention and security awareness programs encourage students and employees to be responsible for their own security and the security of others. Participants in these programs are asked to be alert, security-conscious and involved and advised to call Lamar University Police.
Department to report suspicious behavior. For additional questions regarding crime prevention, contact the department directly at 409-880-7777.

As part of the department’s community-oriented policing philosophy, Lamar University Police Department offers crime prevention presentations each semester to classrooms, campus clubs and student groups when requested. Topics of these presentations include personal safety awareness, Rape Aggression Defense (R.A.D.) and property protection strategies. Anyone interested in having a LUPD Officer speak to his or her classroom or group should contact LUPD at 409-880-8307.

**Monitoring and Recording of Criminal Activity by Students at Non-campus locations of Recognized Student Organizations**

LU does not have officially recognized student organizations that own or control housing facilities outside of the LU core campus. Therefore, local PD is not used to monitor and record criminal activity since there are no non-campus locations of student organizations.

**DISCIPLINARY PROCEDURES AND SANCTIONS**

All violations of federal, state, and local laws and University regulations and rules are reported to the University Police Department. Each violation is considered one offense. Once a criminal report is filed with Lamar University Police Department (LUPD), it is investigated by the reporting officer. When a suspect is identified, the case is referred to the Jefferson County District Attorney’s office for prosecution.

Aside from the criminal charges, under the direction of the Vice President for Student Engagement, the Dean of Students or designee shall be primarily responsible for the administration of the Student Conduct process. The LUPD can also refer the suspect for the University Code of Student Conduct. The Dean of Students or designee will investigate information that involve charges of a sexual nature, hazing, cases involving temporary suspension or other cases in which the law may grant authority. If the dean of students or designee concludes, based on the preponderance of evidence, that the student has violated the Code of Student Conduct, the Dean of students or designee will determine an appropriate disciplinary penalty. If the student does not accept the Dean of Students’ or designee’s decision, the Dean of Students or designee will initiate the hearing procedures. A hearing officer or hearing panel will be appointed to pursue the case. The Dean of Students or designee, the hearing officer, and/or the hearing panel will adhere to the procedures for notification, evidence, counsel/advisors, burdens of proof, records, findings and appeals as outlined in the current edition of the Code of Student Conduct. University actions include but are not limited to monetary fines, work hours, probation, mandatory participation in specific awareness/rehabilitation programs and/or suspension or expulsion from Lamar University. In all
hearings, both the respondent and complainant will have the opportunity to present their versions of the facts, to present other evidence in support of the case including witnesses, and to question witnesses and evidence presented.

In cases of alleged sexual assault, domestic violence, dating violence, or stalking:

- Proceedings will provide a prompt, fair and impartial investigation and resolution; and be conducted by officials who receive annual training on issues related to domestic violence, dating violence, sexual assault and stalking, and how to conduct an investigation and hearing process that protects the safety of victims and promotes accountability.
- In all instances, the process will be conducted in a manner that is consistent with the institution’s policy and transparent to the accuser and the accused.
- The accuser and the accused will have timely notice for meetings at which the accuser or accused, or both, may be present;
- The respondent and complainant are entitled to the same opportunities to have a support person/advisor of their choice at any proceeding or related meeting.
- The University will not limit the choice of advisor or presence for either the accuser or the accused in any meeting or institutional disciplinary proceeding. However, an advisor may only consult and advise his or her advisee, but not speak for the advisee at any meeting or hearing.
- Both the respondent and complainant will be simultaneously informed in writing of the outcome of any student conduct hearing, procedures for appealing the results of the proceeding, any change to the results that occurs prior to the time that such results become final, and notification of final results.
- The institution will, upon written request, disclose to the alleged victim of a crime of violence (as that term is defined in section 16 of title 18, United States Code), or a non-forcible sex offense, the report on the results of any disciplinary proceeding conducted by such institution against a student who is the alleged perpetrator of such crime or offense. If the alleged victim is deceased as a result of such crime or offense, the next of kin of such victim shall be treated as the alleged victim for purposes of this paragraph. and both the accuser and the accused shall be informed of the outcome of any campus disciplinary proceedings alleging a sexual assault. The final result includes only the name of the student, the violation committed, and any sanction imposed by the institution against the student.

For complete procedures and information involving student conduct hearings, sanctions, penalties, and appeals, please refer to the current edition of the Code of Student Conduct available in the Office of Student Engagement and the Student Handbook.
SEX OFFENDER REGISTRATION INFORMATION

In 2002, the Wetterling Act (the federal law dealing with state registration of sex offenders) was amended by the Campus Sex Crimes Prevention Act (CSCPA) to require states to obtain information about enrollment or employment of registered sex offenders at institutions of higher education, and to provide that information to campus police departments or other appropriate law enforcement agencies.

The CSCPA requires universities to provide notice to the campus community of where information identifying registered sex offenders who are enrolled or employed at the institution can be obtained.

A provision was added to FERPA to allow a university to disclose information provided to it under the Wetterling Act concerning registered sex offenders, including personally identifiable, non-directory information from education records disclosed without prior consent.

Information identifying registered sex offenders must be provided to the campus police department or other appropriate law enforcement agency by the state. The university must advise the campus community where sex offender information can be obtained and must make the information available to members of the campus community by some means. The Texas Department of Public Safety must obtain the information and provide it to the university. The university is not required ask registrants or prospective employees about the information.

NOTIFICATION OF ENROLLMENT AT OR EMPLOYMENT BY INSTITUTIONS OF HIGHER EDUCATION

The Department of Public Safety has adopted the following procedure:

SEXUAL ASSAULT, STALKING, DOMESTIC AND DATING VIOLENCE

Lamar University does not discriminate on the basis of sex in its educational programs. Sexual harassment and sexual violence are types of sex discrimination. Other acts can also be forms of sex-based discrimination and are also prohibited whether sexually based or not. These acts include dating violence, domestic violence, and stalking. As a result, Lamar University issues this statement of policy to inform the community of its comprehensive plan addressing sexual misconduct, educational programs, and procedures that address sexual assault, domestic violence, dating violence, and stalking whether the incidents occur on or off campus and when reported to a university official. In this context, Lamar University prohibits the offenses of domestic violence, dating violence, sexual assault, and stalking. Moreover, it reaffirms its commitment to maintain a campus environment emphasizing the dignity and value of all members of the Lamar community.

According to Texas Penal Code, Section 1.07(a)(11), "Consent" means assent in fact, whether express or apparent.

"Effective consent" includes consent by a person legally authorized to act for the owner. Consent is not effective if:

(A) induced by force, threat, or fraud;

(B) given by a person the actor knows is not legally authorized to act for the owner;

(C) given by a person who by reason of youth, mental disease or defect, or intoxication is known by the actor to be unable to make reasonable decisions; or

(D) given solely to detect the commission of an offense.
Lamar University follows the TSUS Sexual Misconduct policy which defines consent as an informed and freely and affirmatively communicated willingness to participate in a particular sexual activity. Consent can be expressed either by words or by clear and unambiguous actions, as long as those words or actions create mutually understandable permission regarding the conditions of each instance of sexual activity. It is the responsibility of the person who wants to engage in the sexual activity to ensure that s/he has the consent of the other to engage in each instance of sexual activity. (The definition of consent for the crime of sexual assault in Texas can be found at Texas Penal Code Section 22.011) The Component will consider the following factors in determining whether consent was provided: 1) consent is a voluntary agreement or assent to engage in sexual activity; 2) someone who is incapacitated cannot consent; 3) consent can be withdrawn at any time; 4) past consent does not imply future consent; 5) silence or an absence of resistance does not imply consent; 6) consent to engage in sexual activity with one person does not imply consent to engage in sexual activity with another; 7) coercion, force, or threat invalidates consent; and 8) being intoxicated or under the influence of alcohol, drugs, or any other substance is never an excuse for engaging in Sexual Misconduct.

Texas law defines “Stalking” Penal Code Sec. 42.072.

(a) A person commits an offense if the person, on more than one occasion and pursuant to the same scheme or course of conduct that is directed specifically at another person, knowingly engages in conduct that:

(1) constitutes an offense under Section 42.07, or that the actor knows or reasonably should know the other person will regard as threatening:
   (A) bodily injury or death for the other person;
   (B) bodily injury or death for a member of the other person's family or household or for an individual with whom the other person has a dating relationship; or
   (C) that an offense will be committed against the other person's property;
(2) causes the other person, a member of the other person's family or household, or an individual with whom the other person has a dating relationship to be placed in fear of bodily injury or death or in fear that an offense will be committed against the other person's property, or to feel harassed, annoyed, alarmed, abused, tormented, embarrassed, or offended; and
(3) would cause a reasonable person to:
   (A) fear bodily injury or death for himself or herself;
(B) fear bodily injury or death for a member of the person’s family or household or for an individual with whom the person has a dating relationship;
(C) fear that an offense will be committed against the person's property; or
(D) feel harassed, annoyed, alarmed, abused, tormented, embarrassed, or offended.

(b) An offense under this section is a felony of the third degree, except that the offense is a felony of the second degree if the actor has previously been convicted of an offense under this section or of an offense under any of the following laws that contains elements that are substantially similar to the elements of an offense under this section:
(1) the laws of another state;
(2) the laws of a federally recognized Indian tribe;
(3) the laws of a territory of the United States; or
(4) federal law.

(c) For purposes of this section, a trier of fact may find that different types of conduct described by Subsection (a), if engaged in on more than one occasion, constitute conduct that is engaged in pursuant to the same scheme or course of conduct.

(d) In this section:
(1) "Dating relationship," "family," "household," and "member of a household" have the meanings assigned by Chapter 71, Family Code.
(2) "Property" includes a pet, companion animal, or assistance animal, as defined by Section 121.002, Human Resources Code.

Further, it would cause a reasonable person to fear bodily injury or death for themselves; bodily injury or death for a member of the person’s family or for an individual with whom the person has a dating relationship; or that an offense will be committed against the person's property.

**SEXUAL ASSAULT**

Sexual Assault means any form of non-consensual sexual activity representing a continuum of conduct from forcible rape to non-physical forms of pressure designed to compel individuals to engage in sexual activity against their will. Examples of sexual assault include, but are not limited to, the following non-consensual sexual activity: sexual intercourse (vaginal or anal); oral sex; rape or attempted rape; penetration of an orifice (anal, vaginal, oral) with the penis, finger or other object; unwanted touching of a sexual nature; use of coercion, manipulation or force to make someone else engage in sexual touching, including touching of breasts, chest, buttocks and
genitalia; engaging in sexual activity with a person who is unable to provide consent; or knowingly transmitting a sexually-transmitted disease to another.

**ASSISTANCE FOR VICTIMS: RIGHTS & OPTIONS**

Regardless of whether a victim elects to pursue a criminal complaint or whether the offense is alleged to have occurred on or off campus, Lamar University will assist victims of sexual assault, domestic violence, dating violence, and stalking. The university will provide each victim with a written explanation of their rights and options. Lamar University is committed to enforcing all laws and regulations that deal with sexual assault, including acquaintance rape. Whenever a victim reports an alleged sexual assault violation, the University will inform the victim of the following:

- The options to notify law enforcement authorities and the assistance to do so.
- The procedures victims should follow if a crime of dating violence, domestic violence, sexual assault or stalking has occurred;
- Information about how the institution will protect the confidentiality of victims and other necessary parties;
- An explanation of the procedures for institutional disciplinary action
- Lamar University will provide written notification to students and employees about the existing counseling, mental health, or student services for victims of sexual assault both on and off campus including Lamar Student Health and the Rape Crisis Center.
- When an incident of Sexual Misconduct is reported, the Component will consider Supportive Measures while the incident is investigated and adjudicated. The determination of appropriate Supportive Measures in a given situation must be based on the facts and circumstances of that situation. The Title IX Coordinator is responsible for coordinating the effective implementation of Supportive Measures, and the duration of such measures. Lamar University provides opportunities and assistance to change academic schedules, transportation, working, and on-campus living arrangements after an alleged sexual assault if reasonably available. The Office of the Provost and Vice President for Academic Affairs is contacted for any change in the academic arrangements and the Office of the Vice President for Student Engagement is responsible for changes in transportation, working, or on-campus living arrangements. These opportunities are available regardless of whether the victim chooses to report the crime to the campus police. A representative from the Division of Student Engagement or the Office of the Provost will be appointed to work with the victim in making reasonable adjustments in these areas.

Each year, the police department, student health, and other campus organizations provide sexual assault awareness, education and prevention programs to the campus community designed to
heighten awareness of these issues and to improve education and prevention on campus. In addition to the ongoing prevention and awareness campaigns for students and faculty, education programs on sexual assault, domestic violence, dating violence, and stalking programming exist for all incoming students and new employees. Information covered includes:

- Lamar University prohibits domestic violence, dating violence, sexual assault, and stalking;
- the definition of domestic violence, dating violence, sexual assault, and stalking according to Texas law;
- the definition of consent, in reference to sexual activity
- options for bystander intervention that may be carried out by an individual to prevent harm or intervene when there is a risk of domestic violence, dating violence, sexual assault, or stalking against another;
- information on risk reduction to recognize warning signs of abusive behavior and how to avoid potential attacks.

**Procedures Victims Should Follow If a Crime of Domestic Violence, Dating Violence, Sexual Assault and Stalking Occurs**

If you feel you are the victim of a sexual assault, domestic violence, dating violence, or stalking, the police department will guarantee the following:

- We will meet with you privately, at a time and place of your choice to take your report.
- We cannot and will not notify your parents without your consent.
- Our officers will not prejudge you, and you will not be blamed for what occurred.
- We will treat you and your case with courtesy, sensitivity, dignity, understanding and professionalism.
- We will assist you in arranging for any necessary hospital treatment, or other medical needs.
  - the victim should consider seeking medical attention as soon as possible at a nearby hospital of the victim’s choice which offers physical evidence recovery kit collection/access to forensic nurse examiners/sexual assault nurse practitioners. In Texas, evidence may be collected even if you chose not to make a report to law enforcement

---

4 Under the Violence Against Women and Department of Justice Reauthorization Act of 2005, starting in 2009, states must certify that they do not “require a victim of sexual assault to participate in the criminal justice system or cooperate with law enforcement in order to be provided with a forensic medical exam, reimbursement for charges incurred on account of such an exam, or both.”
• If you would feel more comfortable talking with a friend or advocate of your choice present, we will do our best to accommodate your request.
• Assist you in the process of obtaining an order of protection or campus no contact order.
• We will consider your case seriously, regardless of your gender or the gender or status of the suspect.

In proving a criminal offense, evidence is crucial in sexual assault cases. Some suggestions in safeguarding potential evidence of intimate partner violence include:

• Do not clean up the area or alter it in any way prior to police arrival, and
• Do not bathe, shower, or douche, and
• Do not change clothes prior to the medical examination, and
• Do not delete text messages or other electronic media related to the incident

These safeguards are especially important if the offense occurred within the past 96 hours. Physical evidence may be preserved that may assist in proving that the alleged criminal offense occurred/or is occurring or may be helpful in obtaining a protection order. In circumstances of sexual assault, if victims do not opt for forensic evidence collection, health care providers can still treat injuries and take steps to address concerns of pregnancy and/or sexually transmitted infections. Victims of sexual assault, domestic violence, stalking, and dating violence are encouraged to also preserve evidence by saving text messages, instant messages, social networking pages, other communications, and keeping pictures, logs, or other copies of documents, if they have any, that would be useful to University adjudicators/investigators or police.

As time passes, evidence may dissipate or become lost or unavailable, thereby making investigation, possible prosecution, disciplinary proceedings, or obtaining protection from abuse orders related to the incident more difficult. If a victim chooses not to make a complaint regarding an incident, he or she nevertheless should consider speaking with Campus Public Safety or other law enforcement to preserve evidence in the event that the victim decides to report the incident to law enforcement or the University at a later date to assist in proving that the alleged criminal offense occurred or that may be helpful in obtaining a protection order.

**Involvement of Law Enforcement and Campus Authorities**

Although the university strongly encourages all members of its community to report violations of this policy to law enforcement (including on campus law enforcement and/or local police), It is the victim’s choice whether to make such a report and Victims have the right to decline
involvement with the police. However, the University Title IX office, Dean of Students, Student Health Center, and designated CSA’s will assist any victim with notifying law enforcement if the victim so desires. Lamar University Police Department may also be reached directly by calling 409-880-7777, in person at 211 Redbird Lane, Beaumont Texas. Additional information about the Lamar University Police department may be found online at: www.lamar.edu/police.

**Reporting Incidents of Domestic Violence, Dating Violence, Sexual Assault and Stalking**

If you have been the victim of domestic violence, dating violence, sexual assault, or stalking, you should report the incident promptly to the Title IX Coordinator, Human Resources Department by calling 409-880-8375, by coming into the office at 1060 East Virginia, Beaumont, TX 77705 to report in person, by email to hr@lamar.edu, or in person at the Lamar University Police Department 211 Redbird Lane, Beaumont Texas (if the victim so desires.)\(^5\) Reports of all domestic violence, dating violence, sexual assault and stalking made to Campus Public Safety will automatically be referred to the Title IX Coordinator for investigation regardless of if the complainant chooses to pursue criminal charges.

If a victim chooses not to pursue criminal prosecution, the University can initiate disciplinary action that may result in sanctions ranging from a reprimand to expulsion. In cases of alleged sexual assault, the accuser and the accused are entitled to the same opportunities to have others present during a campus disciplinary proceeding and both the accuser and the accused shall be informed of the outcome of any campus disciplinary proceedings alleging a sexual assault. The final result includes only the name of the student, the violation committed, and any sanction imposed by the institution against the student. Any personal identifiable information about the Victim will be treated as confidential and only shared with persons with a specific need to know who are investigating/adjudicating the complaint or delivering resources or support services to the Victim (for example, publicly available record-keeping for purposes of Clery Act reporting and disclosures will be made without inclusion of identifying information about the victim, as defined in 42 USC 1395 (a) (20).

Lamar University does not tolerate any retaliation against anyone who exercises rights under the Clery Act and Title IX of the Civil Rights Act.
PROCEDURES THE UNIVERSITY WILL FOLLOW WHEN A CRIME OF DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT AND STALKING IS REPORTED

The University has procedures in place that serve to be sensitive to victims who report sexual assault, domestic violence, dating violence, and stalking, including informing individuals about their right to file criminal charges as well as the availability of counseling, health, mental health, victim advocacy, legal assistance, visa and immigration assistance, student financial aid and other services on and/or off campus as well as additional remedies to prevent contact between a complainant6 and an accused party, such as changes to housing, academic, protective orders, transportation and working situations, if reasonably available. The University will make such accommodations or protective measures, if the victim requests them and if they are reasonable available, regardless of whether the victim chooses to report the crime to the LUPD or local law enforcement. Students should contact the Dean of Students Office at 409-880-8458. Employees should contact Human Resources 409-880-8375.

A representative from the Division of Student Engagement or the Office of the Provost will be appointed to work with the victim in making reasonable adjustments in these areas.

**Rights of Victims and the Institution’s Responsibilities for Orders of Protection, “No Contact” Orders, Restraining Orders, or Similar Lawful Orders Issued by a Criminal, Civil, or Tribal Court or by the Institution**

Lamar University complies with Texas law in recognizing orders of protection. Any student or employee who obtains an order of protection should provide a copy to LUPD and the Office of the Title IX Coordinator. A complainant may then meet with Campus Police to develop a Safety Action Plan, which is a plan for campus police and the victim to reduce risk of harm while on campus or coming to and going from campus. This plan may include, but is not limited to: Safety Escorts, adjusting class schedules, or changing room assignments in residential housing. The University cannot apply for a legal order of protection, no contact order or restraining order for
a victim from the applicable jurisdiction(s). Lamar University PD may issue a temporary emergency protective order if an arrest has been made.

The victim is required to apply directly for these services through the courts or the Victims’ Assistance Center. Protection from abuse orders may be available through legal counsel or the Victims’ Assistance Center.

The University may issue an institutional no contact order if deemed appropriate or at the request of the victim or accused. If the University receives a report that such an institutional no contact order has been violated, the University will initiate disciplinary proceedings appropriate to the status of the accused (student, employee, etc.) and will impose sanctions if the accused is found responsible for violating the no contact order.
ACCOMMODATIONS AND PROTECTIVE MEASURES AVAILABLE FOR VICTIMS

Upon receipt of a report of domestic violence, dating violence, sexual assault or stalking, Lamar University will provide written notification to students and employees about accommodations available to them, including academic, living, transportation, protective orders and working situations. The written notification will include information regarding the accommodation options, available assistance in requesting accommodations, and how to request accommodations and protective measures (i.e., the notification will include the name and contact information for the individual or office that should be contacted to request the accommodations).

At the victim’s request, and to the extent of the victim’s cooperation and consent, university offices will work cooperatively to assist the victim in obtaining accommodations. If reasonably available, a victim may be offered changes to academic, living, working, protective measures or transportation situations regardless of whether the victim chooses to report the crime to campus police or local law enforcement. Examples of options for a potential change to the academic situation may be to transfer to a different section of a class, withdraw and take a class at another time if there is no option for moving to a different section, etc. Potential changes to living situations may include moving to a different room or residence hall. Possible changes to work situations may include changing working hours. Possible changes in transportation may include having the student or employee park in a different location, assisting the student or employee with a safety escort, etc.

To request changes to academic, living, or inquire about protective measures, a victim should contact the Lamar University Police Department at 409-880-7777 or via email at police@lamar.edu. If the victim wishes to receive assistance in requesting these accommodations, she or he should contact Lamar University Police Department to facilitate the request.

Confidentiality

Victims may request that directory information on file with the University be withheld by request in writing to the Registrar’s office.

Regardless of whether a victim has opted-out of allowing the University to share “directory information,” personally identifiable information about the victim and other necessary parties will be treated as confidential and only shared with persons who have a specific need-to-know, i.e., those who are investigating/adjudicating the report or those involved in providing support services to the victim, including accommodations and protective measures. By sharing personally identifiable information with individuals on a need-to-know basis only, the institution will maintain as confidential, any accommodations or protective measures provided to the victim to the extent that maintaining such confidentiality would not impair the ability of the institution to provide the accommodations or protective measures.

The University does not publish the name of crime victims or other identifiable information regarding victims in the Daily Crime Log or in the annual crime statistics that are disclosed in compliance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act. Furthermore, if a Timely Warning Notice is issued based on a report of domestic violence, dating violence, sexual assault or stalking, the name of the victim and other personally identifiable information about the victim will be withheld.

How to Be an Active Bystander

Bystanders play a critical role in the prevention of sexual and relationship violence. They are “individuals who observe violence or witness the conditions that perpetuate violence. They are not directly involved but have the choice to intervene, speak up, or do something about it.”7 We want to promote a culture of community accountability where bystanders are actively engaged in the prevention of violence without causing further harm. We may not always know what to do even if we want to help. Below is a list8 of some ways to be an active bystander. If you or someone else is in immediate danger, dial 911. This could be when a person is yelling at or being physically abusive towards another and it is not safe for you to interrupt.

1. Watch out for your friends and fellow students/employees. If you see someone who looks like they could be in trouble or need help, ask if they are ok.

---

8 Bystander intervention strategies adapted from Stanford University’s Office of Sexual Assault & Relationship Abuse
2. Confront people who seclude, hit on, try to make out with, or have sex with people who are incapacitated.
3. Speak up when someone discusses plans to take sexual advantage of another person.
4. Believe someone who discloses sexual assault, abusive behavior, or experience with stalking.
5. Refer people to on or off campus resources listed in this document for support in health, counseling, or with legal assistance.

Risk Reduction

With no intent to victim blame and recognizing that only abusers are responsible for their abuse, the following are some strategies to reduce one’s risk of sexual assault or harassment (taken from Rape, Abuse, & Incest National Network, www.rainn.org)

1. Be aware of your surroundings. Knowing where you are and who is around you may help you to find a way to get out of a bad situation.
2. Try to avoid isolated areas. It is more difficult to get help if no one is around.
3. Walk with purpose. Even if you don’t know where you are going, act like you do.
4. Trust your instincts. If a situation or location feels unsafe or uncomfortable, it probably isn’t the best place to be.
5. Try not to load yourself down with packages or bags as this can make you appear more vulnerable.
6. Make sure your cell phone is with you and charged and that you have cab money.
7. Don’t allow yourself to be isolated with someone you don’t know or trust.
8. Avoid putting music headphones in both ears so that you can be more aware of your surroundings, especially if you are walking alone.
9. When you go to a social gathering, go with a group of friends. Arrive together, check in with each other throughout the evening, and leave together. Knowing where you are and who is around you may help you to find a way out of a bad situation.
10. Trust your instincts. If you feel unsafe in any situation, go with your gut. If you see something suspicious, contact law enforcement immediately (local authorities can be reached by calling 911 in most areas of the U.S.).
11. Don’t leave your drink unattended while talking, dancing, using the restroom, or making a phone call. If you’ve left your drink alone, just get a new one.
12. Don’t accept drinks from people you don’t know or trust. If you choose to accept a drink, go with the person to the bar to order it, watch it being poured, and carry it yourself. At parties, don’t drink from the punch bowls or other large, common open containers.
13. Watch out for your friends, and vice versa. If a friend seems out of it, is way too intoxicated for the amount of alcohol they’ve had, or is acting out of character, get him or her to a safe place immediately.
14. If you suspect you or a friend has been drugged, contact law enforcement immediately (local authorities can be reached by calling 911 in most areas of the U.S.). Be explicit with doctors so they can give you the correct tests (you will need a urine test and possibly others).

15. If you need to get out of an uncomfortable or scary situation here are some things that you can try:
   a. **Remember that being in this situation is not your fault.** You did not do anything wrong; it is the person who is making you uncomfortable that is to blame.
   b. **Be true to yourself.** Don't feel obligated to do anything you don't want to do. "I don't want to" is always a good enough reason. Do what feels right to you and what you are comfortable with.
   c. **Have a code word with your friends or family** so that if you don't feel comfortable you can call them and communicate your discomfort without the person you are with knowing. Your friends or family can then come to get you or make up an excuse for you to leave.
   d. **Lie.** If you don't want to hurt the person's feelings it is better to lie and make up a reason to leave than to stay and be uncomfortable, scared, or worse. Some excuses you could use are: needing to take care of a friend or family member, not feeling well, having somewhere else that you need to be, etc.

16. **Try to think of an escape route.** How would you try to get out of the room? Where are the doors? Windows? Are there people around who might be able to help you? Is there an emergency phone nearby?

17. **If you and/or the other person have been drinking,** you can say that you would rather wait until you both have your full judgment before doing anything you may regret later.

**SEXUAL MISCONDUCT**

Lamar University has adopted and follows the Sexual Misconduct Policy from the Texas State University System. That policy and its procedures are as follows:

**TEXAS STATE UNIVERSITY SYSTEM SEXUAL MISCONDUCT POLICY – REVISED 08/22/19**

1. **Introduction**
   1.1 **Institutional Values.** The Texas State University System, its colleges, and universities (collectively referred to as “System” and/or “Components” and used interchangeably herein) are committed to creating and maintaining educational communities in which each individual is respected, appreciated and valued. The System diligently strives to foster an environment that permits and encourages everyone to perform at their highest levels. The System’s focus on tolerance, openness, and respect is key in providing every member of the TSUS community with basic human dignity free from harassment, exploitation, intimidation or other sexual misconduct. Any report of behavior that
threatens our institutional values, and breaches this Policy shall be promptly investigated and remediated in accordance with principles of law, fairness and equity to all Parties involved.

1.2 Purpose of Policy. The Texas State University System and its Components are firmly committed to maintaining an educational environment free from all forms of sex discrimination. Sexual Misconduct, as defined in this Policy, is a form of sex discrimination and will not be tolerated. The System and Components will maintain an environment that promotes prompt reporting of all types of Sexual Misconduct and timely and fair resolution of Sexual Misconduct complaints. The Components will take prompt and appropriate action to eliminate Sexual Misconduct when such is committed, prevent its recurrence, and remedy its effects. This Policy defines and describes prohibited sexual conduct, establishes procedures for processing complaints of sexual misconduct, permits appropriate sanctions, and identifies available resources.

1.3 Notice of Nondiscrimination. The System complies with Title IX of the Higher Education Amendments of 1972 (Title IX), which prohibits discrimination on the basis of sex in educational programs or activities; Title VII of the Civil Rights Act of 1964 (Title VII), which prohibits sex discrimination in employment; and the Campus Sexual Violence Elimination Act. Sexual misconduct, as defined in this Policy, constitutes a form of sex discrimination prohibited by Title IX and Title VII.

1.4 Applicability of this Policy. This Policy applies to all students, faculty, staff, and third parties within the System’s or its Components’ control. This Policy prohibits sexual misconduct committed by or against a student, faculty, staff, or third parties. This Policy applies to sexual misconduct:
1.41 on Component premises;
1.42 at Component-affiliated educational, athletic, or extracurricular programs or activities;
1.43 that has an adverse impact on the education or employment of a member of the Component community; or
1.44 that otherwise threatens the health and/or safety of a member of the Component community.
1.45 occurring after the effective date of this Policy.
1.46 All incidents occurring prior to the effective date of this Policy are controlled by the Policy in effect at that time.
1.5 **Extent of Authority.** While the Texas State University System is committed to investigating all complaints of sexual misconduct and there is no geographical limitation to invoking this Policy, sexual misconduct that is alleged to have occurred at a significant distance from the Component and/or outside the Component property may be difficult for the Component to investigate. While this Policy extends to those who are not students or employees of the Component, it may be very difficult for the component to follow up and/or take disciplinary action against Third Parties.

1.6 **Effect of Criminal Prosecution.** Proceedings under this Policy will not be dismissed or delayed because criminal investigation or prosecution is pending, or charges have been reduced or dismissed. Proceedings may also continue if a party is no longer employed with or currently enrolled as a student of the Component.

1.7 **Supersedes Existing Policies.** In the case of allegations of sexual misconduct, this Policy supersedes any conflicting procedures and policies set forth in other Component documents.

1.8 **Sexual Misconduct Policy also known as Policy on Sexual Harassment, Sexual Assault, Dating Violence and Stalking.** This Policy has been adopted for each Component by the System as its Policy on Sexual Harassment, Sexual Assault, Dating Violence and Stalking. It shall be made available to students, faculty and staff by including it in the Component’s student, faculty and personnel handbooks and by creating and maintaining a web page on the Component’s website dedicated solely to the Policy that is easily accessible through a clearly identifiable link on the Component’s internet website home page.

1.8.1 Each Component shall email students the protocol for reporting incidents of sexual assault, including the Component’s Title IX Coordinator’s name, office location and contact information at the beginning of each semester or academic term.

1.8.2 Each Component shall permit employees and enrolled students to electronically report allegations of sexual misconduct.

1.8.3 Electronic reporting of incidents of sexual misconduct shall be permitted to be made anonymously.

1.8.4 Electronic reporting of incidents of sexual misconduct shall be accessible through a clearly identifiable link on the Component’s website home page.
1.9 **Conflicts of Interest.** In any situation where the investigator, administrator, Sanctioning Authority or Appellate Authority has a conflict of interest, a designated employee approved by the Title IX Coordinator shall assume duties imposed under this Policy.

1. **Definitions.** A Glossary with definitions of sexual misconduct offenses and other terms used in this Policy is attached.

2. **Sexual Misconduct Violations.** Sexual misconduct includes, Dating Violence, Family or Domestic Violence, Rape, Sexual Assault, Fondling, Incest, Statutory Rape, Sexual Exploitation, Sexual Harassment, Sexual Intimidation, or Stalking as defined in the Glossary and constitutes a violation of this Policy. Students and employees reported as having engaged in sexual misconduct are subject to investigation for violating this Policy. Should an investigation result in a Finding of a violation this policy, the violator may be subject to sanctions as defined herein.

3. **Reporting**
   
   3.1 **Employees That Must Report – Responsible Employees.** A responsible employee who receives a report of sexual misconduct must report to the Title IX Coordinator all relevant details about the alleged sexual misconduct shared by the Victim. A responsible employee should not share information with law enforcement without the Victim’s consent, unless the Victim has also reported the incident to law enforcement.

   3.11 Before a Victim reveals any information to a Responsible Employee, the employee should ensure that the Victim understands the employee’s reporting obligations. If the Victim requests anonymity and confidentiality, direct the Victim to Title IX Confidential Sources.

   3.12 If the Victim reports an incident to the Responsible Employee but also requests anonymity and confidentiality or requests that the matter not be investigated, the employee should tell the Victim that the Component will consider the request but cannot guarantee that the Component will be able to honor it. In reporting the details of the incident to the Title IX Coordinator, the Responsible Employee will inform the Title IX Coordinator of the Victim’s request for confidentiality.

   3.13 When weighing a Victim’s request for anonymity and confidentiality or that no investigation or discipline be pursued, the Component will consider a range of factors, including the following:

     3.131 The increased risk that the Alleged Perpetrator will commit additional acts of sexual or other violence;
3.132 Whether there have been other sexual misconduct complaints about the same Alleged Perpetrator;
3.133 Whether the Alleged Perpetrator has a history of arrests or records from a prior school indicating a history of violence;
3.134 Whether the Alleged Perpetrator threatened further sexual misconduct or other violence against the Victim or others;
3.135 Whether the alleged sexual misconduct was committed TSUS Sexual Misconduct Policy Effective August 17, 2017 by multiple Perpetrators;
3.136 Whether the alleged sexual misconduct was perpetrated with a weapon;
3.137 Whether the Victim was a minor at the time of the alleged conduct;
3.138 Whether the Component possesses other means to obtain relevant evidence of the alleged sexual misconduct (e.g., security cameras or personnel, physical evidence); or
3.139 Whether the Victim’s report reveals a pattern of conduct (e.g., via illicit use of drugs or alcohol) at a given location or by a particular group.

3.2 Title IX Confidential Sources (as defined in the Glossary). Each Component will identify and provide contact information of Confidential Sources in various locations, including but not limited to the Component’s website; the student’s handbook; the Dean of Students Office; and Campus Police or Security. These Confidential Sources are required to maintain anonymity and shall not report any information about an incident to the Title IX Coordinator without a Victim’s permission. They will assist in a crisis and provide information about possible resources, some of which may include law enforcement, medical assistance, psychological counseling, victim advocacy assistance, legal assistance, Component disciplinary action, immigration services and criminal prosecution. Training for Confidential Sources to be through their professional organizations, if any, and through the Title IX Coordinator.

3.3 Anonymity Requests. When considering reporting options, Victims should be aware that Title IX Confidential Sources as described in the Glossary, are permitted to honor a request for anonymity and can maintain confidentiality. Most Component personnel have mandatory reporting and response obligations, regardless of the Victim’s request for anonymity or confidentiality. Once a complaint is made to a Responsible Employee, the Component must balance a Victim’s request for anonymity and confidentiality with the responsibility to provide a safe and non-discriminatory environment for the Component community. The Component will protect a Complainant’s request for anonymity and confidentiality by refusing to disclose his or
her information to anyone outside the Component to the maximum extent permitted by law.

3.4 Interim Measures when Anonymity is Requested. The Component’s inability to take disciplinary action against an alleged Respondent because of a Complainant’s insistence on anonymity, will not restrict the Component’s ability to provide appropriate measures for the reasonable safety of the Component community. The Complaint may also be used as an anonymous report for data collection purposes under the Clery Act.

3.5 Victims Identity Protected from Open Records. The Texas Public Information Act permits the identity of Victims of sexual assault to be withheld from those seeking records under the Act (Texas Attorney General Open Records Decision 339 (1982)).

3.6 Breaches of Confidentiality. Breaches of confidentiality or privacy committed by anyone receiving a report of alleged sexual misconduct or investigating the report of alleged sexual misconduct, may be considered a separate violation of this Policy and may result in disciplinary Sanctions.

3.7 Reporting Options. Although a Victim of sexual misconduct may decline to report the incident, the Component supports, encourages, and will assist those who have been the Victim of sexual misconduct to report the incident to any individual or entity listed herein. A Victim of sexual misconduct is encouraged to report to any of the sources below.

3.71 Local Law Enforcement. An individual may report an incident of sexual misconduct directly with local law enforcement agencies by dialing 911. Individuals who make a criminal complaint may also choose to pursue a complaint through the Title IX Coordinator.

3.72 Component Police or Security. An individual may also report an incident of sexual misconduct to the Component police or security. Reporting to such officials helps protect others from future victimization; apprehend the alleged assailant; and maintain future options regarding criminal prosecution, Component disciplinary action, and/or civil action against the alleged wrongdoer. For Components that employ sworn peace officers, a Victim may request that his or her identity be kept confidential when reporting sexual
misconduct to a sworn peace officer. Filing a police report does not obligate the Victim to continue with criminal proceedings or Component disciplinary action. Components shall provide the Victim contact information for their campus police or security personnel.

3.73 Title IX Coordinator. Any incident of sexual misconduct may be brought to the attention of the Title IX Coordinator. Although the Component strongly encourages reporting sexual misconduct to the police, a Victim may request administrative action by the Component with or without filing a police report.

3.74 Dean of Students Office. Any incident of sexual misconduct may be brought to the attention of the Dean of Students Office. Although the Component strongly encourages reporting sexual misconduct to the police, a Victim may request administrative action by the Component with or without filing a police report. The Dean of Students Office will promptly inform the Title IX Coordinator of the complaint.

3.75 Campus Security Authority. A complaint of sexual misconduct may be brought to a Campus Security Authority (CSA) as defined in each Component’s Annual Security Report. The CSA will promptly inform the Title IX Coordinator of the complaint. Each Component will identify and provide complete contact information for their CSA in various locations, including but not limited to the Component’s web page; the student’s handbook; the annual security report; and the Dean of Students Office.

3.76 Human Resources. A complaint of sexual misconduct may be brought to the Human Resources Department, which will promptly inform the Title IX Coordinator of the complaint.

3.77 Responsible Employee. An individual may report alleged sexual misconduct to a Responsible Employee, as that term is defined in the Glossary. A faculty or staff member with any knowledge (including firsthand observation) about a known or suspected incident of sexual misconduct (other than Title IX Confidential Sources) must promptly report the incident to the Component Title IX Coordinator or his or her designee.

3.78 Anonymous Reports. Each Component shall provide the phone number and web address available for anonymous reports. Individuals who choose to file anonymous reports are advised that it may be very difficult for the Component
to follow up and/or take action on anonymous reports, where corroborating information is limited. Anonymous reports may be used for Clery Act data collection purposes.

3.8 Preservation of Evidence. Preservation of evidence is critical in instances of sexual misconduct. Prompt reporting may preserve options that delayed reporting does not, including the preservation of evidence (which may be helpful to prove sexual misconduct or to obtain a judicial order of protection), the support of crisis counseling, and immediate police response.

3.9 Termination for Failure to Report or Making a False Report. A Component shall terminate an employee it determines to have either:

3.91 Knowingly failed to make a report of sexual harassment, sexual assault, dating violence or stalking when the Responsible Employee was required to do so; or

3.92 Knowingly made a false report of sexual harassment, sexual assault, dating violence or stalking with intent to harm or deceive.

3.10 Confidentiality. The identity of the following individuals is confidential and not subject to disclosure under the Texas Public Information Act unless such individual(s) waive nondisclosure in writing:

3.102 a person who reports an incident of sexual harassment, sexual assault, dating violence, or stalking,

3.103 a person who sought guidance from the Component concerning such an incident,

3.104 a person who participated in the Component’s investigation of such an incident; or

3.105 a person who is alleged to have committed or assisted in the commission of sexual harassment, sexual assault, dating violence or stalking, provided that after completion of an investigation, the Component determines the report to be unsubstantiated or without merit.

3.11 The identity of the individual(s) referenced in Section 3.10 herein may only be disclosed to the following:

3.111 a Component as necessary to conduct an investigation,
3.112 to the extent required by other law, the person or persons alleged to have perpetrated the incident of sexual harassment, sexual assault, dating violence or stalking or any other sexual misconduct defined in this Policy, a law enforcement officer as necessary to conduct a criminal investigation; or a health care provider in an emergency situation, as determined necessary by the Component.

3.1141 Information reported to a health care provider or other medical provider employed by a Component is confidential and may be shared by the provider only with the Victim’s consent.

3.1142 Health care providers must provide aggregate data or other nonidentifying information regarding incidents of sexual harassment, sexual assault, dating violence or stalking to the Component’s Title IX Coordinator.

3.115 potential witnesses to the incident as necessary to conduct an investigation of the report.

3.12 If the individual referenced in Section 3.10 waives nondisclosure in writing, such waiver shall not be construed as a voluntary disclosure for purposes of the Texas Public Information Act.

3.121 The alleged Victim may use a pseudonym form when making a report to a law enforcement agency.

3.13 Victim Request Not to Investigate. When weighing a Victim’s request that no investigation or discipline be pursued, the Component may investigate the alleged incident in a manner that complies with the confidentiality requirements as stated in this Policy.

3.14 In determining whether to investigate an alleged incident, the Component shall consider:

3.141 the seriousness of the alleged incident;

3.142 whether the Component has received other reports of sexual misconduct committed by the alleged perpetrator or perpetrators;

3.143 whether the alleged incident poses a risk of harm to others; and

3.144 any other factors the institution determines relevant.
3.15 If a Component decides not to investigate an alleged incident of sexual harassment, sexual assault, dating violence, or stalking or any other sexual misconduct defined in the Policy, based on the alleged Victim's request not to investigate, the Component shall take any steps it determines necessary to protect the health and safety of the Component's community in relation to the alleged incident.

3.16 Component shall inform an alleged Victim of sexual misconduct of its decision to either investigate or not investigate the alleged incident.

3.17 Equal Access. Each Component shall, to the greatest extent practicable, ensure equal access for students enrolled at or employees of the institution who are persons with disabilities. The Component shall make reasonable efforts to consult with a disability services office of the Component, advocacy groups for people with disabilities, and other relevant stakeholders to assist the Component with complying with the Component's duties under this policy.

4. Interim Measures also known as Support Services. When an incident of sexual misconduct is reported, the Component will consider interim measures while the incident is investigated and adjudicated.

4.1 Measures Imposed by the Title IX Coordinator and/or Investigator. The Investigator will determine and implement interim measures as appropriate and necessary and to limit potential retaliation. Interim measures may include, but not be limited to

4.13 Temporary withdrawal or suspension from the Component, in accordance with System Rules and Regulations Chapters IV § 2.2(14), V § 2.141, and VI § 5. (14);

4.4 The Component will honor any order of protection, no contact order, restraining order or similar lawful order issued by any criminal, civil, or tribal court.
4.5 The Component shall maintain as confidential any measures provided to the Victim, to the extent allowed by law and to the extent that maintaining such confidentiality will not impair the ability to provide the measures.

5. Retaliation
5.1 The Component takes reports of sexual misconduct very seriously and will not tolerate retaliation against those who make such reports or participate in the investigatory or adjudicatory process. Retaliation includes, but is not limited to, any adverse employment or educational action taken for making a report of sexual misconduct, or otherwise participating in any way in the process of investigating or adjudicating an incident of sexual misconduct. Any actual or threatened retaliation, or any act of intimidation to prevent or otherwise obstruct the reporting, investigating, or adjudicating of sexual misconduct may be considered a separate violation of this Policy and may result in disciplinary Sanctions. Any person who believes that she or he has been subjected to retaliation should immediately report this concern to the Title IX Coordinator.

5.2 A Component may not discipline or discriminate against an employee who in good faith:
5.21 makes a report as required of sexual harassment, sexual assault, dating violence or stalking; or
5.22 cooperates with an investigation, disciplinary process, or judicial proceeding regarding a report of sexual harassment, sexual assault, dating violence or stalking.

5.3 This subsection does not apply to an employee who perpetrates an incident of sexual harassment, sexual assault, dating violence or stalking or other sexual misconduct defined in this Policy.

6. Immunity/Amnesty
6.1 Reporting, investigating, and adjudicating incidents of sexual misconduct is of paramount importance. The Component does not condone underage drinking, illegal use of drugs or other criminal behavior. However, the Component will not take any disciplinary action for prohibited conduct in relation to or concurrently with an incident of sexual misconduct, against a person who is enrolled with or employed by the Component for any violation of the Component’s code of conduct, provided:
6.11 the person reports or assists in the investigation of a report of an incident of sexual harassment, sexual assault, dating violence or stalking or other sexual misconduct defined in this Policy;
6.12 the person acts in good faith;
6.13 the person testifies or otherwise participates in a disciplinary process or judicial proceeding arising from a report of such conduct;
6.14 the violation of the code of conduct is reasonably related to the incident of sexual harassment, sexual assault, dating violence, or stalking; and
6.15 the violation of the code of conduct is not punishable by suspension or expulsion.

6.2 A Component may investigate to determine whether a report was made in good faith.
6.3 A determination that a student is entitled to immunity is final and may not be revoked.
6.4 Immunity may not be given to a student who reports his or her own commission or assistance in the commission of sexual harassment, sexual assault, dating violence, or stalking.
6.5 This section may not be construed to limit a Component’s ability to provide immunity from application of the Component’s policies in circumstances not described herein.

7. **Prohibition on Providing False Information**
   Any individual who knowingly files a false Complaint under this Policy, or knowingly provides false information to Component officials, or who intentionally misleads Component officials who are involved in the investigation or resolution of a Complaint shall be subject to disciplinary action, including but not limited to disciplinary actions as set forth herein.

8. **Comprehensive Prevention and Outreach Program**
   Each Component shall develop and implement a comprehensive prevention and outreach program on sexual misconduct including but not limited to sexual harassment, sexual assault, dating violence and stalking. The comprehensive prevention and outreach program must address a range of strategies to prevent sexual misconduct, including sexual harassment, sexual assault, dating violence and stalking. The program must also include a Victim empowerment program, a public awareness campaign, primary prevention, bystander intervention and risk reduction strategies. The Component will engage in the risk reduction strategies outlined below to limit the risk of sexual misconduct for the campus community.

Agreements will be maintained by the Coordinator and shared only as necessary to implement the agreed resolution or as required by law.

Federal laws mandate the creation and maintenance of academic and working environments free from illicit drug use and alcohol abuse. Lamar University fully supports the objectives of these laws and their companion regulations. The Alcohol and Other Drugs policy is designed to comply with the Drug-Free Schools and Communities Act (DFSCA) of 1989 and Drug-Free Workplace Act of 1988, it is located at LU Resources on Alcohol and Other Drugs website, as well as in the LU Code of Student Conduct. University regulations and policies pertaining to alcohol and drugs are also found in LU Policy 2.9 – Drug Free Work Place and the Drug-Free Work, and LU Policy website. All these regulations and policies remain in effect.

In compliance with the Drug Free Schools and Communities Act, Lamar University publishes a biennial review regarding the University’s prevention programs related to drug and alcohol abuse prevention which include standards of conduct that prohibit the unlawful possession, use, and distribution of alcohol and illegal drugs on campus and at institution-associated activities; sanctions for violations of federal, state, and local laws and University policy; a description of health risks associated with alcohol and other drug use and abuse; and a description of available counseling, treatment, rehabilitation and/or re-entry programs for LU students and employees. A hard copy of the Biennial Review is available upon request through the Student Health Center, A digital copy is also available on the Student Health Center website.

ALCOHOLIC BEVERAGES
Lamar University prohibits the unlawful possession, use, and sale of alcoholic beverages. State and federal statutes concerning alcoholic beverages will be strictly enforced on the Lamar University campus and at off-campus LU-sponsored events. Possession or consumption of alcoholic beverages on campus is restricted to certain approved areas. The LUPD is responsible for the enforcement of state underage drinking laws.

HIGH RISKS OF ALCOHOL
Health hazards associated with excessive use of alcohol or alcohol dependency include dramatic behavioral changes, retardation of motor skills, and impairment of reasoning and rational thinking. These factors result in a higher incidence of accidents and accidental death for such persons than for non-users of alcohol. Nutrition also suffers, and vitamin and mineral deficiencies are frequent. Prolonged alcohol abuse causes bleeding from the intestinal tract, damage to nerves and the brain, psychotic behavior, loss of memory and coordination. Damage to the liver often results in cirrhosis, impotence, severe inflammation of the pancreas, and damage to the bone marrow, heart, testes, ovaries and muscles. Damage to nerves or an organ is usually irreversible.

HIGH RISK ALCOHOL INTAKE
People who consume large amounts of alcohol over a short period of time can reach very high blood alcohol levels before they pass out. This can lead to decreased breathing and death. Vomiting associated with high levels of alcohol may also cause choking and death.

ILICIT DRUGS
Possession, distribution, consumption and/or use of illicit drugs or narcotics on university property or property under control of Lamar University or at any event sponsored by the University or any University student organization, whether conducted on university property or not, is prohibited. This rule also applies to all illegal paraphernalia utilized in conjunction with the consumption and/or use of prohibited substances. The LUPD is responsible for the enforcement of Federal and State drug laws.

HEALTH RISKS OF OTHER DRUGS
Use of illicit drugs may lead to physiological and mental changes like those caused by alcohol, although changes are frequently more severe and more sudden. Death or coma resulting from overdose of drugs is also more frequent. Illicit drugs are commonly classified in seven categories: cocaine, amphetamines, heroin and other opiates, hallucinogens, solvent inhalants, steroids, and marijuana. In addition to adverse effects associated with use of a specific drug, intravenous drug
users who use un-sterilized needles or who share needles with other drug users can develop AIDS, hepatitis, tetanus, and infections in the heart. Brain damage may also result.

**ALCOHOL AND DRUG ABUSE PREVENTION PROGRAMS**
Incoming students receive alcohol and drug awareness information through New Student Orientation. Housing and Residence Life assigns training to residents each semester.

**EMERGENCY INFORMATION**

**Emergency Evacuation Procedures**

The emergency evacuation procedures are tested at least twice each year. Students and employees learn the locations of the emergency exits in the buildings and are provided guidance about the direction they should travel when exiting each facility for a short-term building evacuation. The LUPD does not tell building occupants in advance about the designated locations for long-term evacuations because those decisions are affected by time of day, location of the building being evacuated, the availability of the various designated emergency gathering locations on campus, and other factors such as the location and nature of the threat. In both cases, LUPD staff on the scene will communicate information to students regarding the developing situation or any evacuation status changes.

The purpose of evacuation drills is to prepare building occupants for an organized evacuation in case of a fire or other emergency. At Lamar University, evacuation drills are used as a way to educate and train occupants on fire safety issues specific to their building. During the drill, occupants ‘practice’ drill procedures and familiarize themselves with the location of exits and the sound of the fire alarm.

**General Evacuation Procedures**

At the sound of a fire alarm or if you are instructed to evacuate, immediately proceed to the nearest exit and leave the building. If you are the first to recognize a fire situation, activate the alarm, evacuate to a safe location using the nearest exit, and notify LUPD by calling 409-880-7777 or by dialing 911.

1. Remain Calm
2. Do NOT use Elevators, Use the Stairs.
3. Assist the physically impaired. If he/she unable to exit without using an elevator, secure a safe location near a stairwell, and immediately inform LUPD or the responding Fire Dept. of the individual's location.
4. Proceed to a clear area at least 150 feet from the building. Keep all walkways clear for emergency vehicles.
5. Make sure all personnel are out of the building.
6. Do not re-enter the building.

Shelter-in-Place Procedures –What it Means to “Shelter-in-Place”

If an incident occurs and the buildings or areas around you become unstable, or if the air outdoors becomes dangerous due to toxic or irritating substances, it is usually safer to stay indoors, because leaving the area may expose you to that danger. Thus, to “shelter-in-place” means to make a shelter of the building that you are in, and with a few adjustments this location can be made even safer and more comfortable until it is safe to go outside.

Basic “Shelter-in-Place” Guidance

If an incident occurs and the building you are in is not damaged, stay inside in an interior room until you are told it is safe to come out. If your building is damaged, take your personal belonging (purse, wallet, access card, etc.) and follow the evacuation procedures for your building (close your door, proceed to the nearest exit, and use the stairs instead of the elevators). Once you have evacuated, seek shelter at the nearest [University] building quickly. If police or fire department personnel are on the scene, follow their directions.

How You Will Know to “Shelter-in-Place”

A shelter-in-place notification may come from several sources, LUPD, Housing Staff members, other University employees, Local PD, or other authorities utilizing the University’s emergency communications tools.

How to “Shelter–in-Place”

No matter where you are, the basic steps of shelter-in-place will generally remain the same. Should the need ever arise, follow these steps, unless instructed otherwise by local emergency personnel:

1. If you are inside, stay where you are. Collect any emergency shelter-in-place supplies and a telephone to be used in case of emergency. If you are outdoors, proceed into the closest building quickly or follow instructions from emergency personnel on the scene.
2. Locate a room to shelter inside. It should be:
   - An interior room;
   - Above ground level; and
   - Without windows or with the least number of windows. If there is a large group of people inside a particular building, several rooms maybe necessary.
3. Shut and lock all windows (tighter seal) and close exterior doors.
4. Turn off air conditioners, heaters, and fans.
5. Close vents to ventilation systems as you are able. (University staff will turn off the ventilation as quickly as possible.)
6. Make a list of the people with you and ask someone (hall staff, faculty, or other staff) to call the list in to LUPD so they know where you are sheltering. If only students are present, one of the students should call in the list.
7. Turn on a radio or TV and listen for further instructions.
8. Make yourself comfortable.

If a life-threatening situation has occurred or is known to be in progress or there are strong indications of probable immediate life-threatening situation on or near campus, there may be a call for individuals to evacuate from campus or shelter in place. Every member of the Lamar and Lamar Institute of Technology communities is automatically signed up for access to the emergency notification system through Connect-ED. A student or employee may elect not to receive notifications from the University. This preference must be submitted electronically or in writing.

The Connect-ED system will contact campus community members using registered email and phone numbers. University employees and students are encouraged to verify their telephone and email information in Self Service Banner and add off-campus contact information for comprehensive notification.

**Emergency/Immediate Notification**

Lamar University has developed a process to notify the campus community in cases of emergency. While it is impossible to predict every significant emergency or dangerous situation that may occur on campus, the following identified situations are examples which may warrant an emergency (immediate) notification after confirmation:

Possible emergencies that may occur include, but are not limited to the following:

- Severe weather
- Public health crisis
- Fire (localized building fire or wildfire)
- Campus violence
- Civil unrest
- Hazardous material spill
- Gas leak
- Explosion
- Bomb threat
- Terrorist incident
Individuals can report emergencies occurring at Lamar University by calling LUPD at 409-880-7777 or by dialing 911.

The emergency notification system is tested weekly with a small user group, and a full test of the system occurs during the fall and spring semesters. Test messages to the campus community may or may not be announced. Unannounced test messages will indicate that the activation is a test or be followed immediately by an “all clear” message.

**EMERGENCY WARNING ACTIVATION POLICY**

**Lamar University and Lamar Institute of Technology**

It is the explicit policy of Lamar University that it is FAR BETTER TO ACTIVATE WARNINGS, which later prove to be unfounded, THAN NOT TO WARN. False alarms may reduce the effectiveness of subsequent well-founded warnings, but the failure to warn the University community of imminent danger may have far more tragic consequences. Delay required to contact an exhaustive call list has proven deadly in real-life situations. When in doubt, issue a warning appropriate to achieve the following goals:

1. To preserve life and protect the lives of all involved in hazardous incident(s).
2. To provide prompt warning of circumstances and suggested defensive actions to persons in or around the campuses to minimize risk to innocent bystanders.
3. To include the apprehension of criminal actors, neutralization of weaponry, protection of property, enforcement of applicable laws, and resumption of normal University activities.

In the event of an emergency, Lamar University will initiate and provide, without delay, immediate notifications to the appropriate segment(s) of the University community upon the confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students, employees, and visitors.

The LU Incident Command Staff is responsible for responding to reported emergencies and confirming the existence of an emergency, sometimes in conjunction with campus administrators, local first responders and/or the national weather center.

If the LUPD Chief of Police, or designee, in conjunction with other University administrators, local first responders, Public Health Officials and/or the National Weather Service, confirms that there is an emergency or dangerous situation that poses an immediate threat to the health or safety of some or all members of the LU community, Lamar University will initiate and provide, without delay, immediate notifications to the appropriate segment(s) of the University community. The President or designee, Chief of Police, and Media Services will determine the content of the
message and use some or all of the systems described below to communicate the threat to the LU Community or to the appropriate segment of the community, if the threat is limited to a particular building or segment of the population and initiate the notification system(s).

- **Text Messaging and Email** – Members of the Lamar University campus community who have registered with Connect-Ed can receive SMS text message and email alerts.
- **LU Emergency Website** – Emergency messages will be posted on the LU emergency website containing more detailed emergency information that otherwise cannot be distributed by other warning systems.
- **Television / Radio**
- **If any these systems fail or the University deems it appropriate, in person communication may be used to communicate an emergency.**

The content of an emergency notification will contain information that will aid the campus community in responding to a particular situation or provide evacuation procedures when/if necessary. Emergency notification will be issued unless issuing a notification will, in the professional judgment of the responsible authorities, compromise efforts to assist a victim or contain, respond to, or otherwise mitigate the emergency.

Follow-up information will be distributed using some or all of the identified communication systems (except fire alarm).

The Incident Type will be determined by the Incident Commander (IC) and the Agency Administrator (AA). In the absence of the Vice President for Finance and Operations, the IC Succession of Authority is as follows:

- **Director, EHS and Risk Management**
- **Chief, LUPD**
- **AVP Facilities Management**

The Lamar University Emergency Operations Plan\(^\text{16}\) defines specific types of incidents and outlines the University’s response. (Pages 17 and 18; Figures 4.1 and 4.2), refer to Appendix A.

The President delegates to the following individuals the duties of Agency Administrator and the authority to work on behalf of the Policy Group in making emergency response decisions:

- **Vice President for Finance and Operations**

The following campus officials have been designated to serve as authorized officials who are empowered to approve the content and issuance of written emergency notifications:

- President
- Provost
- Vice President for Finance and Operations
- Chief of Police or designee
- Vice President for Student Affairs
- Senior Police Supervisor on duty
- Emergency Manager
- Vice President for University Advancement

If there is an immediate threat to the health or safety of students or employees occurring on campus, an institution must follow its emergency notification procedures. An institution that follows its emergency notification procedures is not required to issue a timely warning based on the same circumstances; however, the institution must provide adequate follow-up information to the community as needed.

**EMERGENCY SIREN**

Lamar University maintains an emergency siren system to give warning to the LU/LIT area in case of imminent emergency situations. The system will be activated by the Lamar Police Department.

**RECOMMENDED ACTION UPON SIREN ACTIVATION**

The purpose of the siren is to give persons on or near campus area notice that an immediate life-threatening situation exists or may occur soon in the Lamar vicinity. It means:

“IMMEDIATE danger to life is likely...BE ALERT... SEEK INFORMATION AND A SAFE HAVEN NOW!”

WHEN IN DOUBT, SHELTER IN PLACE.

The recommended course of action will call upon affected public to utilize some judgment. When the siren is heard, persons must:

STOP: All impacted must stop and take stock of where they are and what is happening around them. The siren is sounded to prevent people from walking into a deadly situation without notice.
ASSESS: If it is safe to change locations (seek shelter) do so immediately but with extreme caution. If there appears to be no threat at your location wait until additional information (e.g., Connect-Ed, telephone, etc.) is available to guide your decision.

SEEK INFORMATION: It is likely that many Lamar phones will be overloaded in event of siren activation. Persons should seek access to any available informational source such as friends, local media, and/or campus office contacts (other than Lamar P.D.). Text/call a friend or anyone who might be able to give further information. The Connect-Ed system will likely be activated and furnish information but there is some delay before all calls are completed.

SEEK SAFE HAVEN: Events may require one to shelter in place or leave campus area immediately depending upon nature of threat. Whichever course of action is appropriate, be conscious of potential threats and act calmly so as not to make situation worse. Look carefully before entering buildings, classrooms, or other potential shelter areas, drive safely if leaving area. Share your information with others whenever it is safe to do so. If you reach an area of perceived safety, STAY THERE until the official “ALL CLEAR” is received!

### MISSING STUDENTS

In accordance with the Higher Education Opportunity Act, LU must develop and implement certain procedures to be followed when residential students are determined to be missing for 24 hours.

Missing student notification policies and procedures for Students Who Reside in On-campus Student Housing Facilities

A. It is very important that information about missing, or possibly missing students be promptly reported to at least one of the following persons or organizations if a member of the LU community believes that a student has been missing for 24 hours:

1. Lamar University Police Department
2. Presidents, Lamar University & Lamar Institute of Technology
3. Vice-President for Student Engagement, Lamar University

B. Any missing student report must be referred immediately to LUPD either in person at 211 Redbird Lane, Beaumont, TX or by calling 409-880-7777.
C. A student shall be considered “missing” following an abnormal unexplained absence of 24 hours. A report will be made regardless of the time period if there is reason to believe the student’s life or well-being is threatened.

D. Students residing in campus housing will be informed annually of their option to identify a contact person or persons whom Lamar University/Lamar Institute of Technology (hereafter “LU/LIT”) shall notify within 24 hours of the determination that the student is missing, in the event that the student has been determined to be missing by LUPD or the law enforcement agency that has jurisdiction in the area in which the student went missing.

E. When students are informed of their option to provide a confidential contact, students are informed that their contact information will be registered as confidential and accessible only to authorized campus officials. Contact information will be disclosed only to law enforcement personnel responsible for a missing person investigation.

F. If a student is under 18 years of age and not emancipated, LU/LIT must notify a custodial parent or guardian within 24 hours of the determination by LUPD or other law enforcement agency that the student is missing. Any additional contact person(s) designated by the missing student will also be notified within 24 hours of the determination that the student is missing.

For all missing students, LU will notify the local law enforcement agency within 24 hours of the determination that the student is missing, unless the local law enforcement agency was the entity that made the determination that the student is missing.

A student is determined to be missing when the LUPD have verified that reported information is credible and circumstances warrant declaring the person missing. Should the LUPD investigate and determine that a residential student is missing, contact will then be made to the missing person contact, if contact information has been provided, within twenty-four (24) hours of the determination that the student is missing by the LUPD. If the student is under the age of 18 and is not an emancipated individual, LUPD will notify the student’s parent or guardian and any other designated contact person within 24 hours.

G. Regardless of whether the student has identified a contact person, is above the age of 18, or is an emancipated minor, LU/LIT shall inform the local law enforcement agency that has jurisdiction in the area that the student is missing within 24 hours.
Lamar University’s crime statistics are determined according to the Federal Bureau of Investigation’s uniform crime reporting standards without regard to guilt or innocence. Statistics reflect reports made to campus officials as well as University and local police departments. No crimes addressed in the below chart or other crimes reported involved bodily injury to any person in which the victim was intentionally selected because of actual or perceived race, gender, religion, sexual orientation, ethnicity, or disability of the victim.

**PRIMARY PREVENTION AND AWARENESS PROGRAMS – NEW STUDENTS**

These programs are presented to all incoming students who are new to the university and designed to educate them on topics related to sexual assault, alcohol and drug abuse, campus and personal safety and provide resources available for students.

Specifically, the University offered the following primary prevention and awareness programs for all incoming students in 2020:

- **AlcoholEdu for College: Primary - Fall 2020**: This course encourages students to reflect on their drinking and encourages safe decision-making, making campuses safer for all.

- **Sexual Assault Prevention for Undergraduates - Title IX and Clery Act training**: that engages undergraduate students in fostering healthy relationships and preparing them to recognize and respond to sexual assault and harassment when it occurs.

- **Orientation Skits**: Orientation Leaders perform skits for all new student orientation sessions. The scenarios include topics such as alcohol consumption and use, sexual assault, and drug abuse. Skits are formatted to mention LU policy, consequences of the infraction and resources available for students to use if faced with such situations.

FIRE SAFETY REPORT

This report contains information related to fire safety policies and procedures in student residential housing as well as statistics for any fires occurring in those facilities at Lamar University, in accordance with the requirements of the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act. The LU Department of Housing and Residence Life creates this report on an annual basis, relying on information provided by collaborative departments, including but not limited to the LU Campus Police and the Department of Housing and Residence Life.

The LU Department of Housing and Residence Life maintains the campus housing fire log and reports fire statistics annually in conjunction with the “Annual Crime Report” that provides information in compliance with Campus Police and Campus Security Crime Statistics Act.

FIRE STATS & FIRE LOG
All fire incidents are reported to the Director of Housing and Residence Life for inclusion in the fire statistics. The LU Department of Housing and Residence Life maintains the campus housing fire log and all statistics on fires and related injuries, death, and loss in campus housing as defined by the Clery Act. The fire log is available for review at the Housing & Residence Life Office, Gentry Hall, 4601 Cheek St. Beaumont, Texas 77705, from 8 a.m.–5 p.m. Monday through Friday, excluding holidays.

FIRE SAFETY SYSTEM
All campus housing facilities have a full sprinkler system, smoke detectors, audible alarms, and fire extinguishers in each hallway on each floor. All housing facilities have active fire monitoring. The fire monitoring company provides notification for every fire alarm to the following in this order: LU Police dispatcher, LU Police, Residence Life management, and our 24-hour call maintenance staff.

All common use kitchens include fire extinguisher units for range tops, and a thirty (30) minute timer with automatic cut off on all stoves (both oven and range elements). All common use kitchens contain secured doors with limited hours of operation and are on constant surveillance recorded cameras. All systems are fully checked and maintained at least annually, and all systems are tested regularly, typically on a monthly basis. The University does not have any planned improvements in fire safety at this time.

18 Partial Sprinkler System is defined as having sprinklers in the common areas only.
19 Full Sprinkler System is defined as having sprinklers in both the common areas and individual rooms.
ANNUAL TESTING OF THE EMERGENCY RESPONSE AND EVACUATION PROCEDURES

LU maintains an Emergency Response Plan that outlines responsibilities of university departments during emergencies. This plan outlines incident priorities, campus organization and specific responsibilities of particular units or positions.

University departments are responsible for developing emergency response and continuity of operations plans for their areas and staff. Campus emergency management provides resources and guidance for the development of these plans. Emergencies occurring on campus should be reported to LUPD at 409-880-7777.

In conjunction with other emergency agencies, Lamar University conducts emergency response drills and exercises each year, such as tabletop exercises, field exercises, and tests of the emergency notification systems on campus. These tests, which may be announced or unannounced, are designed to assess and evaluate the emergency plans and capabilities of the institution.

LUPD is responsible for testing all emergency notification systems to ensure proper functionality, high availability, and to report maintenance needs in a timely manner.

Testing is completed once a semester and announced in advance of the testing date. The announcement will contain emergency procedures and links to additional emergency resources available to the campus community as needed.

All tests are documented and evaluated by LUPD and Information Technology Division. The evaluation is used to analyze results, performance, and identify any potential enhancements. The record of testing is maintained by LUPD.

Each test is documented and includes a description of the exercise, the date and time of the exercise, and whether it was announced or unannounced.

Lamar University publicizes a summary of the emergency response and evacuation procedures via email at least once each year in conjunction with a test (exercise and drill) that meets all of the requirements of the Higher Education Opportunity Act.

FIRE DRILLS

Mandatory supervised fire drills are conducted at a minimum of once each semester in the fall and spring semesters. Fire drills were conducted on the following dates during the past year:

- March 5, 2019 – Cardinal Village
- September 12, 2019 – Cardinal Village
Fire Drills are coordinated by the Residence Life Staff, by each Resident Director/Assistant Director for each residence hall. The Director of Housing and Residence Life coordinates the details of the drill in accordance with the Resident Director/Assistant Director, the local fire department, Facilities Management, Environmental Health and Safety and Risk Management, and the LU Police Dept. Resident Assistants (RA’s) assist with orderly and timely evacuation of the building and directing students to the designated evacuation site. Students failing to vacate are subject to student conduct disciplinary action. A post drill review is conducted with all staff present to discuss the success of the drill and additional necessary actions that may be required for future drills. A report is generated and given to the Director EHS & Risk Management of Lamar University.

**Evacuation Process of Residence Life**

All employees and students should familiarize themselves with the location of stairs and emergency exits within the buildings in which they work. In addition, they should learn the locations of the fire extinguishers in the building and learn how to operate these extinguishers. Following are the standard procedures for use in case of fire emergency evacuation instructions that are applicable to most campus classroom and administrative buildings that do not have more than two floors. If the building in which you work has special building evacuation procedures, you should study these in advance of any emergency.

**Fire Procedure**

- If you discover a fire in a building, activate the nearest fire alarm pull station. If no fire alarm is available, immediately notify occupants of the building to evacuate the building.

- Telephone the Lamar Police by dialing 8311 on any campus telephone. Tell the dispatcher the location and nature of the fire. The dispatcher will call the Beaumont Fire Department on their special direct line and dispatch all available police and maintenance units to assist in evacuation of the building.

- If the fire has not spread from its point of origin, attempt to extinguish the fire using fire extinguishers. However, “Safety of Life” is the prime concern.

- Do not attempt to extinguish a fire in a laboratory or a chemical fire unless you know what chemicals are involved and have been trained in the correct procedures and types of extinguishers to be used for fighting such fires. “Safety of Life” remains the prime concern.

- Do not reenter an evacuated building until you have been advised that it is safe to do so.
Other Instructions:

If you have knowledge of what chemicals are present at the location of a fire, or of other hazards near a fire, tell a Lamar University police officer or fire department personnel on the scene, and remain available to give further assistance if needed.

Policies and Procedures on Appliances and Smoking of Residence Life

These Rules and Regulations are incorporated by reference into the housing contract. They are promulgated for the purpose of preserving the welfare, safety, and convenience of residents in CARDINAL VILLAGE and for the purposes of making a fair distribution of services and facilities for all residents, and for the purpose of preserving property from abusive treatment. The complete list of policies and procedures can be found on the Housing and Residence Life website.

LU Code of Conduct Related Fire Policies

1. Fire warning devices and safety equipment are to be used only in case of emergency. The sounding of a fire alarm should be taken seriously. In the event of an alarm, residents are to vacate the premises immediately. Residents will be instructed by university or Cardinal Village staff when they will be allowed to return to their units. Residents who do not vacate their units during a fire alarm are subject to disciplinary action. The intentional sounding of an alarm outside of an emergency situation is a criminal offense and a material breach of the Housing Contract. Facilities tests the smoke detectors in rooms for proper operation and working batteries. Upon notification by resident, Facilities will replace batteries. Tampering or altering smoke detectors will result in a $200.00 fine. Any violation is a default under the housing contract which would entitle Housing and Residence Life to declare a default and pursue all remedies provided.

2. Fire code prohibits storage or use of barbecue grills in or on any building, walkway, stairway or balcony.

3. The use and/or possession of candles, whether new or used, on the premises are not permitted. This includes candles from which the wicks have been removed and are used only for decorative purposes. All candles and flammables will be immediately removed from rooms.

FIRE SAFETY EDUCATION AND TRAINING PROGRAMS

Fire safety education programs for all students living in on-campus student housing and all employees that have any association with on-campus student housing are held at the beginning of each semester. These programs are designed to: familiarize LU Residence Life staff and on-campus resident students with the fire safety system in each housing facility, train them on the procedures to be followed in case there is a fire and distribute information on the Lamar University’s fire safety policies. LU Residence Life staff and on-campus resident students are also provided with maps of each on-campus student housing facility that illustrate evacuation routes and fire alarm equipment locations. During these programs, trainers emphasize that participating
in fire drills is mandatory. Students with disabilities are given the option to have a “buddy” assigned to them. Fire safety education and training programs are taught by local fire authorities.

**STUDENT HOUSING EVACUATION PROCEDURE FOR FIRE/SOUNDING ALARM**

1. Every time a fire alarm sounds, exit the building – always assume there is a fire.

2. If a fire is confirmed and alarm is not sounding, activate the closest pull station.

3. Immediately notify LU Police whenever fire alarm is sounding.

4. If confirmed fire, call LU Police.

5. RA’s should assist with crowd control and orderly evacuation of building (staff should exit with residents, banging on doors and loudly stating “PLEASE EVACUATE,” or if confirmed fire, RA’s should NEVER put themselves in harm’s way.

6. Help keep residents at designated evacuation stations away from buildings. Do not re-enter a building until instructed to do so by LU Police, Fire Department, and On Call Maintenance Tech, typically after alarms have been reset.

7. Remain alert at all times, paying attention for any information about vandalism/false alarms. Camera footage is helpful, so help notice any suspicious activity around exits.

**REPORTING OF FIRE SAFETY INFORMATION**

All fire safety concerns should immediately be reported to the LU Police at 409-880-8307.

Information related to fire safety reporting for the residence halls should be submitted to the Director of Housing and Residence Life at 409-880-8550 or housing@lamar.edu.

**REPORTING FIRES**

Per federal law, Lamar University is required to annually disclose statistical data on all fires that occur in on-campus student housing facilities. Therefore, if you encounter a live fire in one of these facilities, you should immediately get to a safe place, then dial 911. Once the emergency has passed, you should notify LUPD at 409-880-7777 to investigate and document the incident for disclosure in the University’s annual fire statistics.

If a member of the LU community finds evidence of a fire that has been extinguished, and the person is not sure whether LUPD has already responded, the community member should immediately notify LUPD at 409-880-7777 to investigate and document the incident for disclosure in the University’s annual fire statistics.
