

LIT Student Housing & Payment Policy

DIVISION OF STUDENT ENGAGEMENT
LAMAR UNIVERSITY
Department of Residence Life

LU Residence Life is committed to providing on-campus student housing priority to new LU freshmen and current LU residential students choosing to return to live on campus. On-campus student housing is then offered to eligible LIT students on a space-available basis. In accordance with this policy as published in the Residence Life Handbook, all LIT students are responsible for total charges related to housing and selected meal plans. LIT students are housed in **3-person suites** in either double or single rooms in Gentry Hall on a space-available basis.

Application Procedure

A paper application must be filled out and submitted to the Residence Life Office by mail, email, or in person. This application will be kept on file until the student pays the downpayment (see below). The student is able to put in a preference for either the shared or private room within the 3-person suite, and we will do our best to accommodate the first preference. However, applications are processed by date received and as space is available. After the application is received, the student is emailed instructions on how to pay the downpayment. Please allow for three to five business days for processing. Submit all applications via mail, email, or in person to the following:

*Department of Residence Life
Gentry Hall, 4601 Cheek Street
P.O. Box 10040
Beaumont, TX 77710
housing@lamar.edu*

Downpayment

After your application is received, LIT students are required to pay a downpayment of **\$800, which applies to the total housing and meal balance owed**. This **\$800** is due before a student can receive an assignment. After this has been paid, the student will contact housing@lamar.edu to confirm that payment has been made. The student must then sign and return the housing contract to confirm the housing assignment. The downpayment is refundable if the contract or application is cancelled prior to June 30.

Fall Payment Schedule

After the \$800 downpayment is paid and the contract is signed, the remaining balance must be paid in full prior to move-in or in accordance with the following payment schedule:

| Amount Due | Date Due |
|-----------------------------------|-------------------|
| \$1,100 | August 1, 2017 |
| Half of remaining balance* | September 1, 2017 |
| Full amount of remaining balance* | October 1, 2017 |

**Remaining balance will vary depending on room rate and meal plan choice. Consult your MyLamar for an accurate balance.*

- Initial \$1,100 installment is due August 1. **Students who fail to complete the initial installment payment in full are not eligible to receive keys or move into a dorm room.**
- The remaining balance will be evenly divided. The first half of the remaining balance is due September 1. **Failure to complete payment of the first half of the remaining balance will result in the deactivation of the student's meal plan and the student will not have access to on-campus dining.** Meal plans may be reinstated upon full payment of the balance within the allotted time period.

- The final opportunity for payment in full of the remaining housing and meal plan balance is due October 1. **All payments must be completed in full no later than October 1. Failure to complete payment for the remaining balance by this final deadline will result in the eviction of the student. Additionally, the student's account, with all related charges as agreed upon in the Housing Contract, will be referred to collections.**

Winter Break Key Return Policy

Within 24 hours of the student's last final exam in the Fall semester, the student must turn in his/her key to the Director of Residence Life in Gentry Hall. This key will be distributed back to the resident in January after the first installment is made. The key will not be returned if the first Spring installment is not made. Failure to turn in the key by December 15 will result in a lock change, which will be billed to the student.

Spring Payment Schedule

The full balance must be paid in full prior to move-in or in accordance with the following payment schedule:

| Amount Due | Date Due |
|----------------------------------|------------------|
| \$1,100 | January 1, 2018 |
