Premiere of Blacksmith

We are excited to announce the premiere of the short documentary, Blacksmith. Come to the Jefferson Theater at 700 N Main St. in Beaumont on October 24 at 3 p.m. Blacksmith was directed by Frank DiCesare of Oskar Films and features Gladys City’s very own Rob Flurry. You will not want to miss this!

Improvements around Gladys City

If you have visited the museum recently, you will see that our maintenance team has been busy improving walkways, signs, porches and more. Make sure you show your appreciation to Leo and Tyler if you see them about! Also, appreciation goes to you, our supporters. It is through your support that improvements such as these are possible.

Volunteer Opportunities

We are always appreciative of the support we get from people like you. If it is time to renew your membership, we will soon send out renewal forms. We delayed these some due to Harvey. Become our friend on Facebook, Twitter and Instagram.

A Blast from the Past!

Is anyone else surprised this blacksmith had the crowd so close to the fire? It would have the present director sweating profusely! Any idea who the kids are? If you know, write the museum at gladyscityinfo@gmail.com.
