# LU Success

Elevate Your Learning

## What is LU Success?

LU Success is a free service provided to Lamar University students who want to strengthen strategies and techniques to learn and plan most effectively and succeed in college.

Through collaborative, personalized consultations with peer Success Partners, students are supported in developing and implementing new approaches and strategies that help them reach their learning potential.

## Peer Success Partners will...

Peer Success Partners connect with students through individual appointments to help them develop skills for college success. They will...

- Introduce students to active learning strategies
- Share techniques to help students develop systems to plan and organize their time most effectively
- Help students identify short-term and long-term goals
- Guide students in creating individualized study plans based on how they learn best
- Provide on-going support for students in their efforts to implement their plans

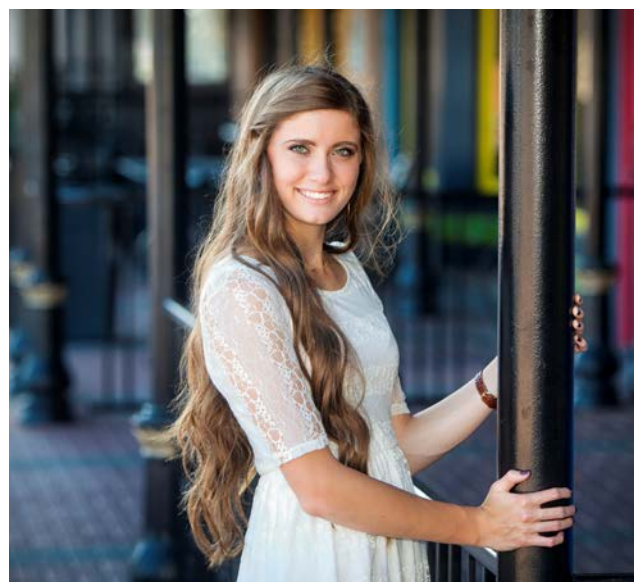

### Did you know?

**More than 75% of students who participated in our pilot program in the spring returned for more than one appointment. Of these students, 50% increased their semester GPA from the previous semester.**
