Programs

**Cardinal Communities (CC)**

This program is led by Assistant Director, Celine Hodge, and located in the STAR Services main office (COMM 109). The CC program provides a supportive community in which students engage in meaningful relationships that empower them to thrive in their lives at Lamar University and beyond. CC connects students with Pro and Peer Mentors around a shared discipline or interest.
LU Outreach & Support

Coordinated by Demetrial Graham and located in the STAR Services main office (COMM 109), LU Outreach & Support is a new program that is currently in development. Through targeted outreach to specific populations on campus, undergraduate students will receive academic support and coaching from professional staff members to assist them in identifying academic needs and strategies to achieve academic success. Specific students will also be invited to participate in the Cardinal Success Academy beginning in Fall 2019.

LU Success

Coordinated by Reba Carroll and located in the STAR Services main office (COMM 109), LU Success is an appointment-based academic coaching service provided to undergraduate students who want proven strategies and techniques that will help them learn more efficiently and succeed at Lamar University. Students receive individualized help from professional staff and peer Success Partners to help them implement new approaches and strategies that will help them reach their learning potential.

REDtalks

Also coordinated by Reba Carroll, REDtalks are presentations by faculty, staff, and students who share their expertise and advice to help students succeed in college. The presentation topics are geared toward undergraduate students and focus on themes ranging from academic success to personal growth. A complete schedule of workshops can be found on the REDtalks webpage. Please visit lamar.edu/redtalks to access the schedule.

Employment, Schedules, and Pay

Employment Requirements

In order to be employed as a student assistant, you must be enrolled in and registered for classes at Lamar University. For summer employment, student assistants must be registered for classes in either a summer session or the following fall semester.

Weekly Hours

Your supervisor will determine your schedule based on program needs. Lamar University policy allows a maximum of 19.5 work hours per week, but employees are not guaranteed a full 19.5 hour schedule.

The workweek in STAR Services runs Saturday through Friday and strict adherence to the maximum 19.5 hour workweek policy is expected.

Work Schedules

Your supervisor will provide an official work schedule and the general procedures are:

- Report to work at your scheduled start time and leave work at your scheduled end time
- If you leave your post for more than 10 minutes, clock out
- Additional work time beyond the official schedule must be approved by your supervisor

Paid Training

STAR Services is dedicated to continual learning and growth. All paid training opportunities must be assigned and approved by your immediate supervisor. Paid training opportunities may include:
• Bi-weekly and monthly sessions offered by your program and STAR Services
• Individual consultations with your supervisor
• On-line exercises
• Make-up trainings
• University requirements for employment such as FERPA and Title IX

Time Off and Emergencies

If you are not able to abide by your approved work schedule, you are responsible for informing your supervisor at least 24 hours in advance. In case of an emergency, contact your supervisor as soon as possible.

If you are absent from work for 3 days without communicating with your supervisor, this is considered job abandonment. Also, if you call off consistently and/or do not abide by your schedule, you will be subject to corrective actions (see page 10).

Holidays and Finals

Work is permitted when classes are not in session as long as the university remains open and your supervisor approves your work schedule.

Dual Employment

If you are employed by more than one Lamar University department, you are required to disclose all of your LU jobs to your supervisor and adhere to the policy of a 19.5 maximum hour workweek policy across all campus jobs. In order to ensure that you do not exceed the maximum weekly work hours with your combined employment, work with all of the departments for which you are employed and your supervisors to plan your schedule.
Payroll

In order to be paid, you should complete your time sheet through Self-Serve Banner by entering your work hours daily at the end of your shift. Work hours must be submitted in 15-minute increments (.00, .25, .5, .75). Please round down if your time is less than 7 minutes over the quarter hour and round up if your time is seven or more minutes higher than the quarter hour.

Timesheets must be submitted bi-weekly, and your supervisor will provide specific timesheet deadlines. Failure to submit timesheets by the designated date and time can result in corrective actions (see page 10).

Lamar University Payroll Policy:

Effective July 1, 2017, all non-exempt staff, students, and hourly employees changed to Bi-Weekly payroll.

NOTE:

1. Employees must know their Self-Service Banner Employee ID# and PIN to input and submit time.
2. Timesheets will be ready for entering on the first day of a current pay period. A new hire or a rehire employee should have a timesheet available on his/her first scheduled working day. New or rehire employees should contact their home department first for a missing timesheet.
3. No employee will be paid on both bi-weekly payroll and monthly payroll. If you have two positions, you will be required to track and enter hours for both positions on different timesheets.
4. The deadline for an employee to submit his or her timesheet is on/before Sunday 11:59 pm after each pay period ends. The deadline for an Approver to approve the timesheet is on/before 2:00 pm the Monday after.
5. Monthly payroll is strictly for paying exempt employees, professors, adjuncts and teaching/graduate students.

Contact the Payroll office at 880-8000 if you have more questions.
For the Bi-Weekly Payroll Schedule and more information, please visit the Lamar University Payroll website at https://www.lamar.edu/finance-and-operations/financial-services/payroll/payroll%20information.html
