Schedules and Pay

**Work Schedules**

The STAR Services main office is located in Communications 109 and is open Monday-Friday from 8:00 am to 5:00 pm. Contact your supervisor or visit our office if you have any questions regarding your employment, schedule, or pay.

In order to be employed as a student assistant, you must be enrolled in and registered for classes at Lamar University. For summer employment, student assistants must be registered for classes in either a summer session or the following fall semester.

**Weekly Hours**

Lamar University policy, allows a maximum of 19.5 work hours per week, but employees are not guaranteed a full 19.5 hour schedule. Your supervisor will determine your schedule based on program needs.

The workweek in STAR Services runs Sunday through Saturday, and strict adherence to the maximum 19.5 hour workweek policy is expected.
Work Sign In and Out

Your supervisor will provide an official work schedule and will inform you of procedures to clock in and out of work.

- Clock in and out at the start and end times designated in this approved schedule
- If you leave the office for more than 10 minutes, clock out
- Additional work time beyond the official schedule must be approved by your supervisor

Dual Employment

If you are employed by more than one Lamar University department, you are required to disclose all of your LU jobs to your supervisor and adhere to the policy of a 19.5 maximum hour workweek policy across all campus jobs. In order to ensure that you do not exceed the maximum weekly work hours with your combined employment, work with all of the departments for which you are employed and your supervisors to plan your schedule.

Time-sheet Due Dates

In order to get paid on time, **work hours are due to your supervisor by the 1st of each month.** If the 1st falls on a weekend, they are due the following Monday. Hourly workers (most student assistants) will receive pay on the 15th of every month and contractual workers (most Graduate Assistants) are paid on the 1st of each month.

If your timesheet is late to your supervisor, you will not receive your pay until the **following month’s pay date** according to Payroll policies and procedures.
Time Off and Emergencies

If you are not able to abide by your approved work schedule, you are responsible for informing your supervisor at least 24 hours in advance. In case of an emergency, contact your supervisor as soon as possible.

If you are absent from work for 3 days without communication to your supervisor, this is considered job abandonment. Also, if you call off consistently and/or do not abide by your schedule, you will be subject to corrective actions.

Holidays and Finals

Work is permitted when classes are not in session as long as the university remains open and your work schedule is approved by your supervisor.
Professional Expectations

STAR Services is proud to be able to serve Lamar University and all employees are expected to maintain high professional standards and to treat others with respect.

**Work Environment**
If issues or conflicts occur in the work environment, contact your supervisor immediately and go through the appropriate university channels and procedures to address the problems.

**Attire**
As a representative of STAR Services, appropriate work attire is essential, which involves wearing clothing that is not offensive to others, including prints, words, and graphics. Clothing should also appropriately cover the body while performing all job duties. Casual dress is permitted as long as it meets these standards.

**Alcohol, Drugs, and Tobacco**
