UNIVERSITY MACE

The mace has gradually assumed a purely ceremonial character symbolizing the authority of the Board of Regents, The Texas State University System and the Office of the President of Lamar University.

The Lamar University mace is traditional in design. The walnut shaft is crowned by a wooden cube. Each side features a representation of Lamar University's seal, against a background of red velvet.

The president of the Faculty Senate, who leads the academic processional, carries the mace in today's ceremony.

ACADEMIC GONFALONS

Gonfalons, banners that are designed to hang from a crossbar, have historical roots dating back to the 12th century when they served as the official emblems to represent the various districts of Florence, Italy. In more recent times, gonfalons have been adopted by academia to serve as symbols to represent each college within a university. Each college has their own representative banner with the dean from the respective college or an appointed designee carrying the gonfalon in the academic processional.

GUIDELINES FOR GUESTS

Commencement is a significant and solemn event, the recognition of years of study. To maintain the dignity of the ceremony, guests and participants are requested to refrain from unnecessary noises (air horns, etc.) and movement during the ceremony. Only the official photographer is allowed on the arena floor.

VETERANS AND MILITARY MEMBERS

Lamar University is proud to recognize graduating veterans with a red, white and blue triple cord. On behalf of the entire Lamar University community, President Jaime R. Taylor and the LU administrative officers, we extend our deepest gratitude and congratulations to these distinguished graduates.

MESSAGE FROM THE PRESIDENT

Today is one of several important days in your life that I am honored to share with each of you. I say “several” because anytime we welcome a new class of Cardinals to Lamar University, we celebrate. And anytime we congratulate our newest graduates at a Commencement ceremony, we celebrate. In other words, whether you are coming or going, we cheer you on because you make us better. Each new student brings unique experiences and talents to Cardinal Nation. And each new graduate carries on the wing a story of success and impact far beyond the walls of Lamar University. When you walk across the stage today to receive your diploma, I hope you will recall the moment you first arrived and remember that Lamar University is a special place precisely because it is an ever-evolving reflection of our students. You shape our university’s reputation, and our university’s reputation will follow you and lift you up long after you graduate.

I hope you will come home often and tell us about your life, your family, your career. You will have lots of opportunities to attend games and alumni events, or even volunteer on campus. Don’t forget, you will always be a Cardinal. The lifetime friendships and memories you have made at Lamar University will stay with you for the rest of your life.

Congratulations!

Sincerely,

Jaime Taylor, Ph.D.
President

Lamar to thee we're singing
Voices raised on high.
We will forever love thee
Laud thee to the sky.

We will ever need thee
As our guiding star.
To us you'll always be
Our glorious Lamar.

COLLEGE DEANS

DR. LYNN M. MAURER, DEAN

We are pleased to celebrate your graduation from the College of Arts and Sciences at Lamar University. As a student, you have enriched the intellectual and cultural ambience of LU and we are grateful for your participation in the Cardinal community. In return of your hard work and dedication, you have now earned your degree, which is yours for life. You have gained the prestige and pride of being a Lamar University graduate.

The College of Arts and Sciences proudly encompasses a wide range of interconnected disciplines from the natural sciences, behavioral sciences, and humanities to the professional degrees such as nursing. You graduate today knowledgeable in your major area and prepared to live in an interconnected world, understanding the context in which you live, work and contribute as a global citizen.

Although your final semesters at Lamar University have been trying, I commend you for pushing through and finishing strong amid a global pandemic. Your perseverance is truly an inspiration to all and we appreciate your flexibility while moving to an online format.

We wish you a lifetime of happiness, a successful and rewarding career, and the support of friends, family, and colleagues.

We hope that your time at Lamar has been transformative, especially in light of recent events, and that you will always think of Lamar University as your home.

Congratulations!

Dr. Lynn Maurer
Dean

DR. DAN W. FRENCH, DEAN

It is a special honor for me to celebrate your graduation from Lamar this semester. This celebration is the culmination of your years of diligent work and energy focused on achieving your degree. In addition to your studies, you and your classmates have overcome multiple severe weather events and an unexpected health crisis.

Your efforts are paying off, and they will continue to reward you throughout your life and career with expanded horizons and greater opportunities.

In August of 1973, I proudly received my BA degree from LU. Our university unlocked a whole new world of knowledge and new opportunity for me. For these gifts I am and forever will be grateful to be a Lamar Cardinal.

Graduates, as you mark this milestone in your life, take those lessons that you have learned from our faculty along with those experiences you have had being part of the Lamar spirit and diverse student body and pass that knowledge and spirit on to others.

As you move through your career and life, please consider sharing your knowledge and experiences with future Lamar students. Come back to campus to give a guest talk to a class, participate in a panel session, or recruit some of our graduates for your organization. Attend sporting events, enjoy our art museum, and take part in events sponsored by our Alumni Affairs!

At Lamar University, we care about success. Our Lamar community, faculty, staff, university administration and I as Dean of the College of Business applaud and recognize you as a proud 2022 graduate of Lamar University, class 2022.

Dr. Dan W. French
Dean

DR. ROBERT J. SPINA, DEAN

To the Graduating Class of 2022,

This moment allows me the special opportunity to extend my sincere and enthusiastic congratulations to you. Graduates, commencement is the beginning and accordingly another typical day of anxiety of "am I ready and what next." If anyone is able to tackle those questions face first, it's you. You are stronger because of what you experienced, and you can do anything. There are so many opportunities right around the corner waiting for you to explore; enjoy the exploration. You are the seeds of our future, and it is time for you to embrace your passion and work for it. You have all completed a program of studies, which has taught you to think critically, to express opinions in a civilized manner, to evaluate options, to make informed decisions and to move forward in life. It helps you develop confidence in yourself and what you believe. This moment attests that you are indeed ready for what is to come. By any standard or measure, you are positioned to join the educational elite in our society. You have completed a difficult, taxing and costly journey from where you started years ago. It is important to take this moment to appreciate and celebrate what you have achieved. You did it!

Dr. Robert J. Spina
Dean

DR. BRIAN CRAIG, DEAN

Dear May 2022 Graduates, Families and Friends:

On behalf of the Lamar University Administration, the College of Engineering Leadership Team, and faculty and staff of your academic departments, I offer my congratulations on achieving this very significant milestone. Each of you has worked hard to get to this point, with the guidance and support of family, friends, and Lamar University (LU) faculty and staff. You have persevered through a very difficult time, demonstrating your own fortitude and demonstrating that we all are stronger together and stronger than ever. We are very proud of each of you. This commencement ceremony has three purposes; the first is to formally celebrate your achievement, the second is to thank those who helped you along the way, and the third is to mark the beginning of next phase of your life.

When you walk out of these doors as LU graduates, you will set new goals, and I know you will pursue them with the same or even higher levels of dedication. My wish for you is that you set the right goals. Set them high enough that you must work both smart and hard to achieve them, and then feel the satisfaction that comes from seeing your work and preparation pay off. The key to success is to focus on goals, not obstacles. For as many have noted, success lies at the intersection of hard work and preparation.

In your years at LU, you have been prepared and encouraged to pursue learning as a life-long endeavor. Always seek new knowledge, because the world is changing faster than ever before, and you will benefit from remaining curious and increasing your skills. Along the lines of life-long learning, I would like to extend an offer to each of our undergraduate engineering graduates to continue your education in one of our master's degree programs and will waive the GRE requirement.

Socrates said, "the unexamined life is not worth living." Continue to question your path, always mindful of your ultimate goals. If you find that your desires change, never be afraid to change course and set new goals so that you can achieve success.

In closing, I ask that you remain engaged with Lamar University. I encourage you to support LU by joining the LU alumni association, participating in programs, sharing your LU experience with others, and I hope that you will keep us updated on your many achievements to come.

With Cardinal Pride...

Dr. Brian Craig
Dean

DR. DERINA HOLTZHAUSEN, DEAN

Earning a university degree is one of the highest accomplishments one can achieve. Earning it under challenging circumstances make it even more admirable and special. I salute you for showing perseverance and resilience during difficult times. This will stand you in good stead throughout your life. I hope you will find a moment to celebrate this life changing event with your loved ones. I, the faculty and staff of the College of Fine Arts and Communication are all celebrating your success.

Nobody achieves success alone. The people whose moral, financial and mentoring support made today possible for our graduates should also be recognized, among them the faculty members and staff of this college, your partners, family and friends. I thank them all for the way they supported you to make this moment possible.

As the Dean of the College of Fine Arts and Communication, I am very proud of the diversity in our college, not only in terms of human diversity, but also disciplinary diversity. From art, music, theatre and dance, to communication, media, deaf studies and deaf education, and speech and hearing sciences, the ultimate aim of all these programs is to make our lives better and improve our communities and our society. That is the one common bond we all have in the college, faculty and students alike. As our successful students leave us to move forward on their career paths, I hope that is the one goal you will continue to strive for.

I also hope that you will return as alumni or as graduate students. You will soon realize that lifelong learning will be an essential part of your future. Remember, Lamar University is always here to offer an opportunity. We will welcome you back in your role as mentors and role models for our students and hopefully also as graduate students. This will be your academic home forever.

Enjoy your new-found and hard-earned success. We all wish you a long and successful career in the field you choose.

Dr. Derina Holtzhausen
Dean

DR. C. JERRY LIN, DEAN

To the Class of Spring 2022: Congratulations on earning your graduate degree. You have joined the elite group of our society. Only a select few have accomplished what you just have. We are proud of you!

Graduation is a starting point, one that marks your professional contribution to the greater good of an interconnected global community. With the knowledge and skills you have acquired through your graduate studies, you are well positioned to make an impact – be it advancing technologies, developing solutions, pursuing entrepreneurship, educating the next generation, exploring the unknown or creating performance art. Choose the specialty you do best and make a positive difference – wherever you are in the world. Keep in mind that there will be challenges ahead as you continue to build your career. It is part of the process to prevail and excel in any profession. Take on difficult tasks. Stay curious and creative. Engage in lifelong learning. Your dedication will reward you the prosperity and satisfaction of a lifetime.

Most importantly, have FUN in this process.

Thank you for being part of the Lamar University community during an unprecedented pandemic. We applaud the perseverance and resilience you have demonstrated, celebrate your achievements today, and look forward to learning about your successful stories in the years to come.

Dr. C. Jerry Lin
Dean

DR. TILISA THIBODEAUX, DEAN

A Farewell Letter to our Graduates

Dear Graduates,

It is my absolute honor to congratulate you on behalf of the Reaud Honors College at Lamar University. You have taken a huge step toward fulfilling your lifelong goals and dreams, and there are many amazing opportunities that lie ahead for you.

Simon Sinek (2009) stated, "...achievement comes when you pursue and attain what you want; success comes when you are clear in pursuit of WHY you want it" (Sinek, 2009). It is my hope that as you reflect on your learning journey over the past several years, you have been able to identify your passion and inspiration along the way. If you have, I encourage you to articulate your passion and share your inspiration in everything you do and every decision you make, and most importantly, learn to inspire others the way you have been inspired.

As you navigate the next steps in your journey, learn how to turn your greatest struggle into your largest gain. When success doesn't come easy, dig deep and become a positive deviant, even if that means stepping away from what you would normally do. Embrace the "messiness" of learning and understand that failure is measured by YOUR definition of the word. Life will consistently test your perseverance, but grit and persistence will help you move the needle on your wildly important goals. Try to lead as you serve others, and spend time building relationships with all kinds of people, especially with folks that are different than you. And above all, listen intently and care about others as you grow and learn; you may be surprised at who will become your greatest asset and an integral part of your journey along the way.

We know you will be successful in all that you do moving forward, and we are proud to call you a Lamar University Reaud Honors College graduate! Our door is always open, and we invite you to stay connected with us so you can come back and share your inspirational story with our future students and graduates. Congratulations to all the graduates!

Dr. Tilisa Thibodeaux
Dean

ACADEMIC REGALIA

The academic regalia worn at American university exercises, originated in the Middle Ages. The oldest universities grew out of church schools, and both faculty and students were regarded as part of the clergy. Hence, they wore robes as part of their costume, borrowed largely from the monastic dress of their day. Today, there is a Code on Academic Costume, detailing appropriate regalia attire.

The cap, the square mortarboard in American universities for undergraduate and master's students and a round, short, flat velvet cap for doctoral students. The cap is always black and should match the material of the robe.

The gown is usually black. The bachelor's gown has pointed sleeves and the master's gown has long pouch-like sleeves. Doctoral gowns are faced with velvet down the front and three bars of velvet across each sleeve.

The hood, worn around the neck and hanging in the back, is the principal emblem of the nature and source of the degree held. The colors in the hood lining are the colors of the school conferring the degree. The color of the border indicates the scholarly field of study.
