This program is not an official graduation list. This printed program lists students who are eligible to graduate pending the outcome of final examinations and final grades. Therefore, it should not be used to determine a student's academic or degree status. The student's permanent academic record is kept by the Records Department, P.O. Box 10010, Beaumont, Texas 77710. Students, faculty and staff members are selected without regard to their race, color, creed, sex, age, disability or national origin, consistent with the Assurance of Compliance with Title VI of the Civil Rights Act of 1964; Executive Order 11246 as issued and amended; Title IX of the Education Amendments of 1972, as amended; Section 504 of the Rehabilitation Act of 1973.

MESSAGE FROM THE **PRESIDENT**

Congratulations to each of our Spring 2025 graduates!

Today is a celebration of all you've accomplished. Every challenge you've tackled and every connection you've made during your time here has brought you to this day. Your family, friends, professors, and mentors are so proud of you, and I'm right there with them. Lamar University takes great pride in all that you've achieved.

People may tell you that today is the first day of the rest of your life. You might hear talk of "milestones" and "new beginnings." But the truth is, you've been living your life all along. College wasn't just a rehearsal for what's ahead. It has already woven itself into the fabric of who you are and how you've grown. Your time at Lamar University has sharpened your mind, broadened your skills, and left you with stories and memories that will stay with you for years to come.

What's different today is that you now hold the reins to shape your future. You have the power to direct your life toward greater meaning and purpose, not just for yourself but for those around you. You'll face a whirlwind of challenges, but as a new alum of Lamar University, you are well prepared to break new ground instead of simply following the same playbook. I encourage you to keep asking the questions no one has thought to ask and to seek solutions that aren't in any textbook. It's in moments of curiosity and experimentation that true innovation happens.

The world is ready for what you bring: fresh ideas, bold thinking, and a spirit grounded in our shared Cardinal values of service and leadership. We're all rooting for you, and we can't wait to see what you do next.

Congratulations once again! I look forward to celebrating this day with you and seeing the incredible impact you'll have on the world.

Sincerely,
Jaime Taylor, Ph.D.
President

DR. REBECCA BOONE, INTERIM DEAN

On behalf of the College of Arts and Sciences, I am proud to extend my heartfelt congratulations to you upon your graduation from Lamar University. As you reflect on the work, dedication, and perseverance that enabled your achievement, please also consider the experiences at Lamar that have contributed to making you who you are today and who you will become in the future. Whether in the lab, lecture hall, online, or small classroom, remember the professors who opened your eyes to new ways of looking at the world and possibilities you had never considered before attending Lamar. Cherish the memories you made with friends as you shared the struggles and triumphs of a difficult class or the social challenges of a student organization. Never forget the green leaves and ever-expanding branches of the majestic live oaks that grace our beautiful campus.

As you continue to pursue your dreams, keep in mind that you will represent your college and university. The qualities you cultivated and the skills you developed here will enable you to lead, build up, and inspire the people surrounding you at home and at work. No matter what challenges life throws your way, resilience requires you to stay true to your principles. They are the firmest foundation for a lifetime of success in any field you pursue.

We wish you happiness and fulfillment in this new chapter of your life. You have earned it, Cardinal. Go Big Red!

Dr. Rebecca Boone, Interim Dean

DR. JOBY JOHN, DEAN

It is my immense pleasure and honor to congratulate you on your graduation from the College of Business at Lamar University. In your journey through college, you have overcome many challenges with resiliency and perseverance, and today is the day for celebration. This is a very important milestone and a time of hope and excitement. You represent the future. I believe that all of you have the potential to make a significant impact in the world and make it a better, brighter, and more sustainable place for everyone. Please recognize the opportunities that are waiting for you and take advantage of them by making full use of the outstanding programs and learning opportunities at Lamar University.

As we celebrate your outstanding achievements, I would like to offer my sincerest congratulations and gratitude to the family members and friends who have supported you all during these challenging, but rewarding years in college. I also extend my special thanks to our world-class faculty and dedicated staff for their contributions toward your success. I strongly encourage you to join the Lamar University Alumni Association and stay active as a proud Cardinal for life. Please support college activities, programs, and scholarships, and keep us updated on the many achievements you will experience in your careers and personal lives. We are all extremely proud of your accomplishments and wish you the best in the next stages of your lives.

Warm regards,

Dr. Joby John, Dean

DR. JOHNNY O'CONNOR, INTERIM DEAN

Today marks more than the culmination of your academic journey, it is a celebration of your transformation. Earning a university degree is not merely a milestone; it is a distinguished achievement that speaks to your perseverance, your intellect, and your unwavering belief in the power of education.

The road that led you to this moment may have been marked by sacrifice, resilience, and uncertainty. Yet you rose to each challenge with purpose and determination. In doing so, you have emerged not only as graduates but as scholars, professionals, and agents of change. You have become individuals who lead with vision, who serve with integrity, and who embody the enduring pursuit of knowledge and growth.

We also take this moment to acknowledge those whose support helped bring you here—your families, friends, mentors, and faculty. Their encouragement, guidance, and belief in your potential have been vital threads in the fabric of your success.

At Lamar University, you have received more than a degree; you have built a foundation rooted in knowledge, leadership, and service. Whether your path lies in education, counseling, health, nutrition, kinesiology, hospitality, or human services, you are prepared to enter the world not only with competence, but with compassion and conviction.

As you step into the next chapter, know that your journey as a learner and leader is only just beginning. The insight and character you have cultivated here will serve as a catalyst. Continue to challenge the status quo. Continue to grow. Continue to lead with courage and humility.

And wherever your path may lead, remember—Lamar University is, and will always be, your academic home. We encourage you to remain connected—as alumni, as ambassadors, and as clear evidence of the transformative power of education.

On behalf of the faculty and staff of the College of Education and Human Development, it is with great pride and respect that I congratulate you on this significant milestone. We celebrate all that you have accomplished and look ahead with confidence in the extraordinary difference you are destined to make.

Congratulations on this remarkable achievement!

Dr. Johnny O'Connor, Interim Dean

DR. TRACY BENSON, INTERIM DEAN

WOW! You've made it. After all those late night study sessions, those never-ending group projects, those endless cups of coffee, you finally made it to commencement. Please, take a moment and let it all sink in. You have achieved what too few in our society even strive for let alone achieve. As an engineering graduate from Lamar University, you are joining an exclusive group of talented men and women who change the world. Paraphrasing from President Hoover, an engineer's high privilege is increasing our standard of living. You will play a major role in tomorrow's standard of living, perhaps in artificial intelligence, energy transition, or circular economies. You will See for Yourself!!

While your journey at LU has been unique and yours, I assure you that you were not alone in that journey. You have had a community of support that includes parents, relatives, friends, professors, and LU staff. Take time to thank those that helped you (maybe even carried you) through your journey at LU. Showing gratitude to those who have helped you will pay dividends throughout your life. See for Yourself!

Finally, we are super proud of you and your accomplishments. We know that you will excel in your careers and will be a shining example for those to follow. To be honest, we cannot wait to see how you will change the world. We invite you to continue to be part of the Lamar University family by joining our Alumni Association and giving back. We hope to see you at future Cardinal events, including tailgates, Cardinal Views, and other outreach events. Your career will soon takeoff like a rocket. Shoot for the stars. You'll land on the Moon or even on Mars. See for yourself!

With Cardinal Pride

Dr. Tracy Benson, Interim Dean

DR. GOLDEN WRIGHT, DEAN

One of the most significant accomplishments is to earn a college degree. We commend you for your perseverance to overcome the many obstacles that could have kept you from reaching this point. Your tenacity and resilience will serve you well in the future.

Success is rarely a solo journey. Whether it be Lamar University faculty and staff, or your parents, family, and friends, individuals have played an important role in making this day happen. Often these individuals provide moral guidance, financial assistance, or mentorship throughout your academic journey. I encourage you to take time to celebrate this life-changing occasion with those who have supported you. Today, the College of Fine Arts & Communication faculty and staff applaud your successes and look forward to your future accomplishments.

As the Dean of the College of Fine Arts & Communication, I take great pride in this college—both in terms of our students' backgrounds and the variety of disciplines we offer. From art, music, theatre, and dance to communication, media, deaf studies, deaf education, and speech and hearing sciences, each program contributes to enriching our communities and society at large.

As you embark on the next chapter of your professional journey, I encourage you to remain committed to lifelong learning. This will be crucial to your continued success. Remember, the College of Fine Arts & Communication will always be here to support you. We hope you return as alumni, where you will be welcomed back as mentors and role models for future generations of students. Lamar University will always be your home.

Congratulations on your well-deserved success. Wishing you the very best on the next step towards a fulfilling career.

Dr. Golden Wright, Dean

COLLEGE OF GRADUATE STUDIES

DR. BRETT WELCH, DEAN

It is an honor for me to congratulate you on this accomplishment. You are now a member of a select population of those holding an advanced degree. Whereas this milestone should be celebrated, do not rest on these laurels. This is only the beginning.

The graduate degree you have earned not only places you in a unique group of scholars but will open doors to opportunities that previously would not have been attainable. You are now equipped with even more knowledge and skills to encourage growth and inspire others. You are a leading voice and decision maker in your field. Embrace this responsibility and continue to take the same energy and passion used to obtain this degree into your new world.

Finally, know that the Lamar University community is proud of you. As you move forward in your career, please display, and speak of your Lamar accolades with pride. What you have earned did not come easy, so use these experiences to inspire others. Whereas I wish you to always have happiness in your endeavors, I challenge you to never be satisfied. Keep pushing forward and keep learning. You are the future.

Dr. Brett Welch, Dean

REAUD HONORS COLLEGE

DR. TILISA THIBODEAUX, DEAN

It is my absolute honor to congratulate you on behalf of the Reaud Honors College at Lamar University. You have taken a huge step toward fulfilling your lifelong goals and dreams, and there are many amazing opportunities that lie ahead for you.

Simon Sinek (2009) stated, "...achievement comes when you pursue and attain what you want; success comes when you are clear in pursuit of WHY you want it". It is my hope that as you reflect on your learning journey over the past several years, you have been able to identify your passion and inspiration along the way. If you have, I encourage you to articulate your passion and share your inspiration in everything you do and every decision you make, and most importantly, learn to inspire others the way you have been inspired.

As you navigate the next steps in your journey, learn how to turn your biggest challenge into your greatest opportunity. When success doesn't come easy, dig deep and become a positive deviant, even if that means stepping away from what you would normally do. Embrace the "messiness" of learning and understand that failure is measured by YOUR definition of the word. Life will consistently test your perseverance, but grit and persistence will help you move the needle on your wildly important goals. Try to lead as you serve others and spend time building relationships with all kinds of people, especially with folks that are different than you. And above all, listen intently and care about others as you grow and learn; you may be surprised at who will become your greatest asset and an integral part of your journey along the way.

The Reaud Honors College encourages Honors Cardinals to embark on a personalized journey where they can align their passions with a purpose to imagine, innovate, impact, and inspire campus life at Lamar University.

Congratulations to all the graduates!

Dr. Tilisa Thibodeaux, Dean

UNIVERSITY MACE

The mace has gradually assumed a purely ceremonial character symbolizing the authority of the Board of Regents, The Texas State University System and the Office of the President of Lamar University.

The Lamar University mace is traditional in design. The walnut shaft is crowned by a wooden cube. Each side features a representation of Lamar University's seal, against a background of red velvet.

The president of the Faculty Senate, who leads the academic processional, carries the mace in today's ceremony.

GUIDELINES FOR GUESTS

Commencement is a significant and solemn event, the recognition of years of study. To maintain the dignity of the ceremony, guests and participants are requested to refrain from unnecessary noises (air horns, etc.) and movement during the ceremony. Only the official photographer is allowed on the arena floor.

ACADEMIC GONFALONS

Gonfalons, banners that are designed to hang from a crossbar, have historical roots dating back to the 12th century when they served as the official emblems to represent the various districts of Florence, Italy. In more recent times, gonfalons have been adopted by academia to serve as symbols to represent each college within a university. Each college has their own representative banner with the dean from the respective college or an appointed designee carrying the gonfalon in the academic processional.

VETERANS AND MILITARY MEMBERS

Lamar University is proud to recognize graduating veterans with a red, white and blue triple cord. On behalf of the entire Lamar University community, President Jaime R. Taylor and the LU administrative officers, we extend our deepest gratitude and congratulations to these distinguished graduates.

ACADEMIC REGALIA

The academic regalia worn at American university exercises, originated in the Middle Ages. The oldest universities grew out of church schools, and both faculty and students were regarded as part of the clergy. Hence, they wore robes as part of their costume, borrowed largely from the monastic dress of their day. Today, there is a Code on Academic Costume, detailing appropriate regalia attire.

The cap, the square mortarboard in American universities for undergraduate and master's students and a round, short, flat velvet cap for doctoral students. The cap is always black and should match the material of the robe.

The gown is usually black. The bachelor's gown has pointed sleeves and the master's gown has long pouch-like sleeves. Doctoral gowns are faced with velvet down the front and three bars of velvet across each sleeve.

The hood, worn around the neck and hanging in the back, is the principal emblem of the nature and source of the degree held. The colors in the hood lining are the colors of the school conferring the degree. The color of the border indicates the scholarly field of study.

UNIVERSITY ALMA MATER

Lamar to thee we're singing
Voices raised on high.
We will forever love thee
Laud thee to the sky.

We will ever need thee
As our guiding star.
To us you'll always be
Our glorious Lamar.
