The General Bulletin states "A Student desiring to register for a course for Audit (does not receive course credit or a grade) must have the written approval from the major department chair, instructor, and instructor's department chair. Student semester hours attempted will be reduced by the appropriate number of hours. Students are responsible for completing and filing the appropriate petition form with the Records Office. The deadline to register for a course for audit is the census day for the term (12th class day for a long term; 4th class day for summer terms). Normal course fees will apply. However, senior citizens, 65 years of age or older, may register for and audit courses without the payment of tuition or fees on a space-available basis."
