Whether their New Year's Resolution was to make better grades, get more involved, or to serve the community, encourage your student to start the Spring Semester off right! Under Our Wing has information and tips for how to get involved, get better grades, and serve the community.

Cardinals Care

Alternative Spring Break
Looking for something to keep your cardinal occupied during Spring Break? Alternative Spring Break is the solution!

Alternative Spring Break is a volunteer opportunity for students to help clean the Mississippi Gulf Coast. This project will take place March 14 - March 17.

If selected as a participant, transportation to and from Lamar University, meals, and lodging will all be provided through Lamar University.

The last day to apply is January 27th on OrgSync!

The Big Event
April 4th! Mark your calendars for this year's Big Event!
The Big Event is Lamar University's largest day of community service, with over 300 students. Students meet at the Setzer Student Center the morning of the event for a kickoff and to get their tools, then they are sent to different non-profit organizations in and around Beaumont to spend the day serving!

The purpose: to say thank you to the community.
Students can register for the Big Event on OrgSync!

More Volunteer Opportunities in Beaumont
Looking for more times or places to serve the community?
Both you and your student can volunteer locally!

The Food Bank of Southeast Texas is very close to Lamar University and is always looking for help! Donate non-perishable goods, and/or help stack and organize items!

Habitat for Humanity, the Humane Society of Southeast Texas, and CASA Southeast Texas, Inc., are looking for volunteers! Sign up to volunteer on their website!

Located in the Galloway Business Building, the Career and Professional Development Center (CPD) provides students with information and guidance for all students in their professional endeavors, from discovering what can be done with their major to applying and interviewing for jobs and internships.

Every student has access to resume and cover letter critiques offered by the CPD, and has a personal Career Consultant! All Lamar University students have a HandShake account; HandShake is a network for jobs and internships available to students. Students can schedule appointments for interview tips, practice, and critiques!

The CPD also acts as a testing center; students can take the SAT, ACT, DSST, LSAT, and other tests via appointment.

If your student is interested in Graduate School, encourage them to stop by the CDC to look at schools and to get feedback on essays and personal statements!

If you would like to share your feedback, please email parents@lamar.edu

Hello! With this being the fifth edition of Under Our Wing, I thought it was time that I introduced myself. My name is Emily Robinson; I am the writer of Under our Wing's first volume. I am a Junior English Major and Communication Minor, serving my third year with the Department of New Student and Leadership Programs.

Does your cardinal want to spend the summer developing leadership skills while helping new students and families transition to campus life? Members of the Cardinal Orientation Team (CO Team) build the perfect orientation day for all incoming families while establishing and developing friendships with other Orientation Leaders.
