INTRODUCTION
Welcome to the Lamar University Sport Clubs Program. This manual has been prepared and designed to assist students with the administration of their clubs, and serve as a supplement to all Lamar University policies and procedures as outlined for student organizations. The success of your Sport Club depends on every club officer, participant, advisor and coach becoming familiar with the manual contents. All club affairs must be conducted in accordance with Recreational Sports policies and procedures.

Successful clubs are student-initiated and student managed. Sport Clubs fills the void between intramural sports activities and intercollegiate athletics. There is an emphasis on the learning experience for members through their involvement in leadership opportunities. These opportunities include: fundraising, public relations, organizing, administrating, budgeting, and scheduling.

Sport Clubs participation enhances the student's overall education. Skills that students learn include time management, writing and implementing their constitution, recruiting members, establishing dues, and gaining team support. The leadership training and opportunities available through active participation with a Sport Clubs team are intended to benefit the participant throughout their lifetime.

The Sport Clubs Program at Lamar University provides an opportunity for students to shape their own recreational experience through competitive/instructional sports teams. This program will enhance the collegiate experience by developing skills and knowledge of a particular sport, building character and leadership for future pursuits, and by discovering lasting friendships and a lifetime appreciation for physical activity.

Sport Clubs consist of a group of students who share a common interest in a physical activity, and who promote and develop the skills necessary for a particular sport. The leadership of the students and dedication of the team officers determines the success and stability of the club.

Club members are responsible for a variety of administrative duties to ensure the club’s success. All Sport Clubs represent Lamar University in competitive play, and must comply with the University’s and their national/league organization’s rules and regulations.

RESPONSIBILITY
To effectively fulfill its mission and accomplish its goals, Lamar University Recreational Sports provides, within the scope of its resources, the following:

- Opportunities for a variety of cooperative and competitive activities that will contribute to an individual’s physical fitness.
- Access to quality, contemporary and modern facilities and programs.
- A variety of programming including the major areas of Intramural Sports, Sport Clubs, Outdoor Recreation, Fitness, Aquatics and Golf Operations.
- Coordination of the scheduling of events, promotion of activities and maintenance of campus recreational facilities to maximize facility use to better serve the campus community.
- Development of a medium through which students can develop leadership, management, program planning and communication skills.
- Extracurricular opportunities through participation and leadership roles designed to enhance social, psychological and physiological development.
- A resource center of outdoor program ideas, equipment, supplies and rental materials.
HOW TO GET INVOLVED WITH SPORT CLUBS

WHO MAY JOIN A CLUB?
Regular membership in Sport Clubs is open to currently enrolled undergraduate, graduate, and non-traditional students in good academic standing. Sport Clubs are registered student organizations of Lamar University, which have been recognized by the University, qualifying them for use of facilities and/or funding. Admission is voluntary and open to all eligible students regardless of race, color, religion, sex, age, or national origin.

ELIGIBILITY REQUIREMENTS
Participants must meet minimum credit and GPA requirements to participate in Sport Clubs. Sports involved with NIRSA (National Intramural and Recreational Sports Association) require that Undergraduate Students be enrolled at least half time which is the equivalent of 6 credit hours and Graduate Students be registered in at least 6 Credit Hours. Doctorate or Co-Op Students that are not registered for the minimum number of credits must provide proof from the registrar that their workload is equivalent to the number of credits required by Sport Clubs.

Lamar Sport Clubs also requires that (Lamar/LIT) Undergraduate Students maintain a 2.0 GPA and Graduate Students 3.0 GPA. Students who are in their first semester at Lamar University will have a 0.0 GPA but are allowed to participate in Sport Clubs because they do not have a cumulative GPA until after their first semester is completed. Club officers must maintain a 2.5 GPA and obtain full time (12 hrs or more) in order to maintain their position within a club. Members who do not meet the GPA requirement will be limited to only meeting/practicing attendance and academic improvement programs but will not be allowed to travel/compete.

Each club’s league or association rules dictate the requirements for those individuals competing as team members. These rules may include/exclude faculty, staff, alumni, or graduate students. Should a situation occur where Lamar’s and the NGB’s academic requirements differ, a meeting must be scheduled with the Sport Clubs Coordinator to properly apply the correct academic requirements.

Sport Clubs are open to both Lamar University- Beaumont and Lamar Institute of Technology Students. However for NIRSA sports and most National Governing Bodies, clubs must represent only one campus. LIT students may practice with Lamar Sport Clubs, however in NIRSA sports, LIT students are not allowed to represent the college by competing with the team in any games or tournaments. Some NGB’s may allow LIT students to compete with Lamar- Beaumont teams, if this is the case, Sport Clubs must receive verification in writing that this is allowed. However, an all LIT club may compete as one school.

Former NCAA athletes are eligible to participate in Sport Clubs, however NIRSA and other NGB’s have limits on the number of former NCAA athletes a team may have. Clubs must check eligibility rules for each event they compete in to ensure they abide by NGB guidelines.

ACKNOWLEDGMENT OF RISK
The student is aware that these activities involve physical and emotional risks, such as physical person to person contact, exertion, use of equipment, and the use of indoor and outdoor facilities.
The student voluntarily assumes all risk of accident, injury, damage, death, and/or loss to him/her or to his/her property which may arise out of participation in Sport Clubs. The student also releases and discharges Lamar University officers and personnel (paid or voluntary) for every claim, liability, or damage of any kind. The student should not have any medical impairment, disease, physical liability, or injury that would prevent his/her participation in Sport Clubs, and the student is strongly recommended to have medical insurance that covers his/her participation.

All sport clubs are required to have a current faculty/staff advisor. They shall be very helpful and active within the club. Sport clubs shall rely on them for assistance with activity planning, fund-raising, budget preparation, and problems with club members.

ADVISOR ROLES AND RESPONSIBILITIES

He/she shall serve as a resource person regarding university matters and help club members manage club business and balance club/school activities. The club advisor should participate and offer guidance. His/her role should be to provide advice to the club. The advisor is most helpful when he/she uses his/her mature judgments and experience to help club members refine their programs, plans, and discussions to a point where they are effective, realistic, and reflect favorably on the university.
The faculty/staff advisor is considered a valuable link between the club and the university. The advisor for a club:

- Is selected by the members of the club.
- Should be an individual who is accepted and respected by the members of the club.
- Must be a current faculty or staff member of Lamar University.
- Should be available during the development of plans and programs for the club and attend club meetings on a regular basis.

The advisor position for a club is unique and essential to the success of the club. Each advisor provides interpretations of university guidelines, aid in the development of student leaders, and professional leadership to compliment the Sport Clubs administrators.

Responsibilities of the advisor are:

- To work closely with the club and its officers without assuming leadership of the club, recognizing the right of students to control the direction of their club.
- To assist the club and its officers in maintaining club continuity by providing information and interpretations of university policies and procedures.
- To attend as many club meetings and competitions as possible and to be available as a resource for the club and its leaders.
- To keep in mind that the primary responsibility in this position is to provide information and referral so that club members develop leadership potentials.

The assistance you are able to provide as a result of your life experiences is invaluable. The university appreciates your help. A Sports Clubs Handbook is made available to download in the Sport Clubs File section on Orgsync.com.

ADVISORS MAY BE SANCTIONED OR DISMISSED FOR THE FOLLOWING:

- Managing club business, including scheduling, travel arrangement, and submitting forms.
- Failing to favorably represent the Lamar University.
- Acting in an unsafe or unethical manner.

Lamar University Sport Clubs has an obligation to protect the club and its members. If, in the opinion of the Sport Clubs Coordinator, the club or any member is being neglected or misled by the advisor, or if the advisor is not working in the best interests of the club, he/she can be relieved of all advisor functions. Advisors will be afforded the same due process as the club and its members.

COACH ROLES AND RESPONSIBILITIES

Clubs may seek the assistance of coaches and/or instructors to assist with the teaching and coaching aspects of their particular activity. Club members must find a volunteer who meets the specified requirements as identified below and who will abide by the rules for coaches outlined herein.

Coaches do not need to be affiliated with Lamar University or Lamar Institute of Technology. However, they will need to complete a University VOLUNTEER COACH - SECURITY
SENSITIVE RELEASE FORM on Orgsync.com and pass a background check at the beginning of each year before being accepted as a volunteer coach.

All coaches must complete a Sport Clubs - Volunteer Coaching Agreement, Orgsync.com Form, at the beginning of each year. Coaches must submit copies of all relevant certifications and qualifications. The selection of a coach or an instructor MUST be approved by the Sport Clubs Coordinator. Lamar University Recreational Sports reserves the right to interview and approve all coaches/instructors annually.

If a club wishes to seek the services of a coach, members should seek an experienced individual who possesses technical knowledge of the sport and knows how to aid players in avoiding injuries. Coaches must meet with the Sport Clubs Coordinator, to discuss his/her responsibilities to the club and pertinent rules of Lamar University Recreational Sports.

The coach must strictly be a volunteer and is not considered an employee of the University. If it is determined by Lamar University Recreational Sports that a club is paying for the services of a coach/instructor with Lamar University funds, the club will be immediately suspended from the Sport Clubs Program.

Coaches must acknowledge and respect the leadership positions held by the officers and abide by all decisions made by this group. Recommendations made by the coaches will be considered, but final decisions will be made by the club because they are ultimately held accountable.

Sport Clubs coaches should follow all University and Department policies and guidelines as outlined in the Coach/Instructor form. They should also maintain a safe environment for participation; including themselves. Those involved in specialized activities should take the necessary safety precautions as required by University policy, State or Federal law, and/or club policy, such as wearing flotation devices, protective eyewear, etc.

Coaches should be involved strictly with coaching/teaching the team in practice and competition while refraining from participating in other areas of club management. The coach/instructor should allow the student officers to discuss club matters with the Sport Clubs Coordinator. The coach should be a positive role model for all club participants and select goals which are attainable and realistic challenges. Coaches should remember that Clubs are not varsity teams.

VOLUNTEER COACHES/INSTRUCTORS MAY BE SANCTIONED OR DISMISSED FOR THE FOLLOWING:

- Managing club business, including scheduling, travel arrangement, and submitting forms.
- Failing to favorably represent Lamar University.
- Offering scholarships or recruiting players illegally.
- Acting in an unsafe or unethical manner.

Lamar University Sport Clubs has an obligation to protect the club and its members. If, in the opinion of the Sport Clubs Coordinator, the club or any member is being neglected or misled by the coach, or if the coach is not working in the best interests of the club, he/she can be relieved of all coaching and/or teaching functions. Coaches will be afforded the same due process as the club and its members.

REPORTS/MEETINGS

MONTHLY REPORTS

It is essential that clubs maintain open communication with the Sport Clubs Coordinator. At the end of each month (or the following day if it is a holiday), one officer must schedule a meeting with the Sport Clubs Coordinator or Graduate Assistant. An officer should fill out the monthly report of the past month’s competitions and/or events using the form on Orgsync.com. This report can be downloaded online and emailed to the Sport Clubs.

END OF SEMESTER REPORTS

In addition to monthly reports, clubs are required to fill out and complete end of semester reports on Orgsync.com to summarize their season or semester. This is important as it allows clubs to re-evaluate their season and acknowledge areas of accomplishment and areas of improvement. This report also provides the Sport Clubs Coordinator detailed information that clubs may not provide in monthly reports.
MANDATORY MEETINGS
Attendance at Sport Clubs Officer and Council meetings are required for ALL Sport Clubs. These meetings allow members to stay updated on new university and program policies, as well as allow clubs to network and share ideas to make each other more successful. One designated representative from every Sport Clubs team is required to attend, however meetings are open to any persons involved in Sport Clubs. Class, personal, or family obligations will be the only excused absences and it is required that the excused absentee find a replacement team member for the meeting.

ATTENDING CLUB RECRUITING ACTIVITIES
Sport Clubs and Student Organizations provide opportunities for clubs to promote themselves and recruit new members. Clubs should attend as many of these activities as possible and bring promotional material with them such as flyers and pictures to make their club stand out and attract as many students as it possibly can.

MARKETING

USE OF “LAMAR UNIVERSITY” NAME
Sport Clubs teams are granted the right to use the name "Lamar University" or "LU" in describing their organization. However, clubs must get all marketing, merchandise, uniforms and any other products using Lamar University’s name, approved by the Sport Clubs Coordinator and Lamar’s Internal Licensing Department. Sport Clubs must understand and make it clear in their representation to third parties that they speak only for their club, not the University, the Student Union, Inc., or the Associated Students. Sport Clubs are not agents of the Student Union, Inc., the Associated Students, or Lamar University.

USE OF LOGO
Sport Clubs teams have not been granted the rights to use the Lamar University Recreational Sports or Sport Clubs logo OR the Cardinal Bird. The Sport Clubs Program has created its own version for club team use. Teams must obtain approval from the Sport Clubs Coordinator to use the Recreational Sports or Sport Clubs Program Logo. See Logos below. Other Logos are available for use but permission must be granted to use them.

TRADEMARK USE

When using the wording “Lamar University” in regular text/copy, no registered trademark symbol is needed. When using it as a headline, in an artistic form or on merchandise, it must be accompanied with the registered trademark after the Y in University.

The Lamar University wording, as listed above, should appear in white or black unless approved by the university through our licensing firm, Learfield.

The interlocking LU should appear in red, white and black or all white outline or black outline, used only on a black, white, red or gray background because of the transparency inside the interlocking LU.
PROMOTION
As the Sport Clubs Program becomes larger and more noticeable on campus, it is extremely important that all promotion and publicity is professional. All postings must be created using a computer or other form of professional media. Team funding from the Sport Clubs Program can be used to create professional publications. All fliers, brochures, etc., MUST be approved by the Sport Clubs Office, before distributing. An inappropriate method may result in disciplinary action.

POSTING
Before posting anything on campus, it must be approved and stamped by Coordinator of Marketing and Student Organization Office before being used for posting. All publicity, advertising, or tickets should accurately represent the event, must be in good taste (as determined by the Sport Clubs Coordinator and the appropriate scheduling office), and be approved 10 days in advance of the event date.

Publicity may not be sponsored by, or make any reference to, alcohol or tobacco products, nor may it allude in any way to illicit/illegals substances. Discovery of such advertising will result in the cancellation of the event. Use of unauthorized/unapproved advertising (including internet websites) will result in cancellation of the event.

Posting is prohibited anywhere on campus except authorized kiosks, bulletin boards and other designated indoor areas. If the promotion or posting guidelines are not followed, a club will be brought in front of the Sport Clubs Coordinator for disciplinary action. Additionally, clubs may face other University sanctions for repeat offenses, flagrant offenses, and blatant disregard for regulations. These sanctions may include fines or more severe disciplinary actions.

CONDUCT GUIDELINES
Sport Clubs should add a positive image to the University and any behavior deemed otherwise will be handled appropriately. Team officers and coaches are accountable for the behavior of all members and should serve as role models for appropriate behavior. Being a member of a Sport Clubs team is a privilege, not a right. The behavior of an individual team member can damage a team’s reputation. The team’s behavior can damage the reputation of the Sport Clubs Program, which affects the image of Lamar University.

It is the responsibility of each individual team member, advisor, and/or coach to understand the policies and procedures put forth in this Sport Clubs Manual, the Student Organization Packet, and the Lamar University Student Code of Conduct.

Failure to abide by these guidelines or report any incidences to the Sport Clubs Coordinator may result in disciplinary action, with the Sport Clubs Coordinator and/or the Office of Student Engagement.

Team members shall:
- Maintain contact and communication with the Sport Clubs Coordinator.
- Be responsible for themselves and team members and act as mature adults.
- Lose with respect for those who win; win with dignity toward those who lose.
- Demonstrate respect towards teammates, coaches, advisors and others within the Program.
• Comply with all Sport Clubs polices and University regulations as well as maintain full responsibility to abide by all local, state, and federal laws.
• Comply with requests from the Sport Clubs Coordinator or University Officials.
• Show respect for University facilities/equipment and other facilities/equipment during travel.
• Demonstrate honesty and cooperation with personnel during difficult situations.

**Behavior that may result in disciplinary action includes, but is not limited to:**

• Formal written or verbal complaints of any sort regarding individual members and/or team behavior.
• Damage to University property (including equipment) or property during travel.
• Any participants practicing or competing without being approved by the Sport Clubs Coordinator (this includes ANY off-season or summer activities).
• Missed attendance at required meetings, conferences, or retreats.

**CONDUCT WHILE TRAVELING**

Team participants are responsible for their own behavior. Only properly registered Lamar University Sport Club participants, coaches, or advisors are allowed to travel with the team. Any person not properly registered with Sport Clubs that travels with a club will not be allowed to participate in Sport Clubs in the future and may be subject to further sanctions by Lamar University.

Any team violating this policy will be eliminated from Lamar University Sport Clubs for an indefinite period of time and subject to further sanctions by Lamar University. When a coach or advisor is present, the coach or advisor will be ultimately responsible for the team.

Team travel is a great opportunity to display Lamar University to other Universities and communities. When traveling by airplane, it is expected that team members dress appropriately and respectfully. While staying at hotels or motels, remember to be courteous and respectful of other guests and hotel property.

Loud talking in hallways, yelling in rooms, or playing loud music or television can disrupt a guest’s stay. If management requests rooms to quiet down, apologize for the disturbance and ensure that this behavior will not be repeated. The Sport Clubs Coordinator will investigate any complaints not handled courteously.

Off-campus behavior during travel can still be warranted for disciplinary action. Traveling is a privilege for Sport Clubs and can be revoked at any time due to inappropriate conduct. After investigation, the outcome will be determined and could result in loss of travel, suspension of individual members, and probation of the entire Sport Clubs team or other sanctions.

**ALCOHOL, DRUGS AND/OR ILLEGAL SUBSTANCES**

Using Lamar University’s name is a privilege for Sport Clubs. Therefore, it is essential to think and act in a manner that shows respect to the University. Sport Clubs participants are required to be drug and alcohol free when involved with a Sport Clubs team practice, competition, event, or function. This includes being under the influence of, or in possession
of, any intoxicating or illegal drug. For example, wearing Sport Clubs uniforms, jerseys, or other team paraphernalia at any drinking establishment would be inappropriate.

Using team funds for the purchase of alcoholic beverages is strictly prohibited for all team members. Lamar University has a zero tolerance policy for underage drinking and it is a violation of the Student Code of Conduct and State law. All inappropriate behaviors that occur will result in disciplinary action.

**ACTIVITY OUTSIDE OF SPORT CLUBS**

Sport Clubs members should remember that they represent Sport Clubs and Lamar University even when not participating in Sport Clubs. Anytime members are involved in activities outside of Sport Clubs they should hold treat themselves and others with respect. Remember your actions outside of school can create an unfavorable representation about yourself and your character.

**HAZING**

Hazing is defined as any action taken or situation created which, regardless of location, intent, membership status, or consent of the participants,

Disciplinary action or rejection of requests will occur if forms are not submitted on time.

Teams are responsible for securing transportation to and from club activities, which include gasoline, bridge tolls, parking fees, speeding ticket fines, moving violation fees, and costs for car repairs.

_If a team travels without approval, the team will automatically be prohibited from its next travel date. The clubs are not allowed to travel during the final week of the semester or after the semester ends._

At all times, at all competitions, players must use the “buddy system,” so no player is ever alone. They must advise the coach and/or chaperone of their whereabouts at all times for their safety.
If a player chooses not to adhere to the player code of conduct or comply with the coaches and/or chaperones instructions/rules at a tournament, they are subject to being sent home or risk sitting out the entire tournament.

**EXPECTATIONS DURING THE TRIP**

As representatives of Lamar University and the Department of Recreational Sports, all Sport Clubs members are expected to conduct themselves in an appropriate manner whenever and wherever they may travel. SPORT CLUB POINT SYSTEM

The Sport Clubs Point System is a point earning based classification system designed to award clubs for their participation in various Sport Clubs Programs, league competitions, and in the community throughout the year. The method of allocating the funding is based on the Point System. Annual Sport Club allocated funds will be distributed in accordance to the Point System. Clubs will have several opportunities to accumulate points from a variety of different categories throughout the year. Clubs will have to submit a budget request prior to the point value being revealed and will not be awarded funding greater than their requested amount.

Budget Allocation Process

The point dollar value will be determined by the total allocated dollar amount for the year divided by the cumulative number of points earned by all clubs throughout the previous academic year. Each club’s earned points from the previous academic school year will then be multiplied by this dollar value to determine the funding to be allocated to each club for the following school year.

\[
\text{Allocated amount} / \text{Total earned points by all Sport Clubs} = \text{Point } $$$ \text{ value}
\]

\[
$25,000 / 10,000 \text{ points} = $2.5
\]

If the Tennis club earned 500 points the previous year. They would be allocated $1,250 the following year. 500 points x $2.5 = $1,250

New clubs will be eligible to start accruing points once they are officially an approved Sport Club. New clubs can only be allocated a maximum of $500 in their first year during the fall allocation. The new club may continue earning points after they have reached $500 as it will affect their tier ranking for the following year’s request.

Point System Categories

Clubs may start accumulating points at the first new student/transfer orientation fair in June. The deadline for earning points will be the last day of Sport Club practices of the spring semester. No points may be earned during the universities dead week and finals period. The only categories that points can be earned during the summer are orientation fairs and approved fundraisers. The points earned during the summer will be applied to the upcoming academic year. Should a club qualify for a regional and/or national event through their National Governing Body that is held after the point accumulation deadline, the club may appeal to the Sport Club staff to be awarded the points.

If a team fails to meet any requirements stated in this manual, it is subject to a warning, which could result in probation. The severity of the offense will determine if University officials become involved. The Sport Clubs Coordinator reserves the right to inform campus officials of inappropriate behavior and their decisions are independent of any decisions deemed by the Sport Clubs Coordinator.

LOSS OF FACILITY TIME
Clubs found guilty of inappropriate behavior while representing Lamar University may lose the ability to use on campus facilities for club events such as practice or events for indefinite periods of time. This period can cover one week, up to an entire semester or school year.

LOSS OF FUNDING
Clubs found guilty of inappropriate behavior while representing Lamar University can lose funding for indefinite periods of time. This period can cover one trip, an entry fee, to suspension of funds for an entire semester or school year.

LOSS OF TRAVEL/COMPETITION
Clubs found guilty of inappropriate behavior while representing Lamar University can lose the ability to compete or travel in club sponsored events for a period lasting from one event to an entire season, depending on the severity of the infraction.

WARNING PERIOD (4 ACADEMIC MONTHS)
An individual or team is placed in a Warning Period based upon behaviors demonstrated that may result in disciplinary action. At this time individual participants and teams are still eligible to participate in practices and competitions. During this period the individual sanctioned or the entire team’s behavior is observed and at the conclusion of the four-month period, is reviewed and evaluated for a possible change in status.

PROBATIONARY PERIOD (4 ACADEMIC MONTHS)
An individual or team is placed in a Probationary Period based upon behaviors demonstrated that may result in disciplinary action and a required behavioral contract is developed and signed. During this period the individual sanctioned or the entire team’s behavior is observed and at the conclusion of the four-month period, is reviewed and evaluated for a possible change in status.

ELIMINATION OF CLUBS AND INDIVIDUALS
An individual participant or an entire team can be eliminated from the Sport Clubs Program, without the Warning or Probationary Period, which will be referred to the Student Engagement Office. However, a team can also be eliminated after the Warning and Probationary Period because behavior was not improved. This decision is at the discretion of the Sport Clubs Coordinator. If an individual becomes eliminated from the Sport Clubs Program, he or she cannot become a participant in any Sport Clubs team for their remaining years at Lamar University. If a team becomes eliminated, they cannot renew their club status for one year from the date of elimination.
SAFETY AND RISK MANAGEMENT

PARTICIPANT WAIVER PACKETS
Each participant in the Sport Clubs Program is required to complete a Sport Clubs Participant Waiver Packet from Orgynsc.com prior to any participation (this includes practicing with the club). This packet informs the participants of the potential dangers associated with participation. Individuals who have not completed a Sport Clubs Participant Packet will not be permitted to participate in any Sport Club activity.

These forms help provide information about a participant in the event of an injury or transportation to a hospital. It is highly recommended that participants have medical insurance as it will allow a participant who may be injured while participating in Sport Clubs the ability to receive necessary medical attention.

CLUB ROSTERS/ACADEMIC ELIGIBILITY
Clubs are required to provide a list of members that are a part of the club. This allows Sport Clubs to ensure students are academically eligible to represent Lamar University in a Sport Club event. Providing a club roster allows the Sport Clubs program to ensure that students participating in a Sport Club meet National Governing Body eligibility requirements. A club roster also allows the Sport Club program to ensure that participants on this roster have completed the necessary paperwork to compete.

Clubs that are found to have participants on their roster that do not meet necessary eligibility requirements and have completed paperwork put themselves and the Sport Club program at the risk of liability for injury and other legal concerns.

MEDICAL EXAMS AND FIRST AID
The University strongly recommends that all Sport Club participants have annual physical examinations. The Lamar University and Recreation Center assumes no responsibility for any participant with an existing health condition that makes it inadvisable for him/her to participate in any given activity.

The Sport Clubs president is responsible for having at least two individuals who are certified in American Red Cross (or equivalent) CPR and certified in American Red Cross First Aid. At least one certified individual must be in attendance at every club activity. He/she is also responsible for having a first aid kit with ice packs on site. If a club needs to replenish supplies, or purchase a new first aid kit, please see the Coordinator of Sport Clubs. First aid kits are able to be checked out from Sport Clubs for practice or travel events.

The Sport Clubs president is also responsible for insuring that “Universal Precautions” are used when blood or potentially infectious fluids are present. All of the precautions must be followed, no exceptions.

OFFICERS WITH CPR, FIRST AID, AND AED CERTIFICATIONS
Sport Clubs requires that each club have at least two members with updated CPR, First Aid, and AED certifications. These members are important to each club in the event of an incident where no trainers are present. These members will provide copies of their certifications to have on file in the Sport Clubs office. Sport Clubs will host certification sessions at a discount. Officers should meet with the Sport Clubs Coordinator to schedule a date to earn certifications.
EMERGENCY PROCEDURES

PERSONAL INJURY

1. The club member certified CPR/AED and first aid shall respond. Determine the seriousness of the injury. If life threatening, call 911 or send someone for help. Assign other club members or bystanders (when available) to specific tasks (i.e., calling campus police, etc.). Administer first aid to the level of your training.

2. The Health Center is open from 8:00am-4:45pm Monday-Thursday, from 8:00am-2:00pm on Friday, and CLOSED on Saturdays and Sundays. The Health Center phone number is 409-880-8466. Call early for an appointment.

3. All serious injuries that require transportation (to Health Center, doctor’s office, hospital, etc.) should include a 911 call for ambulance assistance. Have someone meet the emergency vehicle.

4. During an event in a Recreation center facility or an off campus event if an accident occurs that requires a participant to be transported to a hospital either by ambulance or in a personal vehicle, the Club MUST call the Coordinator of Sport Clubs immediately. This applies to visiting teams as well as Lamar University Sport Clubs members.

5. While traveling, if an accident occurs requiring a Lamar University Sport Club participant to be transported to hospital either by ambulance or in a personal vehicle, the Club MUST call the Coordinator of Sport Clubs Coordinator as soon as possible. The cell phone number for the Sport Clubs Coordinator will be provided for these situations. Recreational Sports personnel will either call the members emergency contact or instruct the trip leader to make contact with the member’s emergency contact.

6. When in doubt, always believe the injury is more serious than originally thought. Call for help and do not move the injured participant, even if it means delaying an activity in progress.

7. Remain with the injured participant until help arrives.

8. An Accident Report Form must be completed whenever CPR/AED or first aid is administered or after an injury, which may warrant medical advice or observation. This report MUST be completed in full and submitted to the Sport Clubs Coordinator, within 24 hours of the injury. All accident and incident forms can be found in the Sport Clubs Files section on Orgsync.com. If the club is traveling, the Accident Report Form should be turned in as soon as the club returns from their game/tournament.

PREVENTING DISEASE TRANSMISSION
While the risk of becoming infected while administering aid is remote, there is a small chance that some blood borne infectious diseases can be transmitted. In order to reduce risk, use the following procedures if confronted with blood or other potentially harmful bodily fluids:

- A participant that is bleeding shall be removed from a Sport Clubs activity until the bleeding has stopped and the wound has been completely covered.
- A participant that has blood on a uniform shall be removed from the contest until the soiled clothing has been changed.
- Before treating any injury involving blood or other body fluids, gloves (rubber, latex) must be worn by the person administering aid.
- Immediately wash hands after administering first aid, even if gloves were worn and no contact with blood occurred.
- In a Recreational Sports supervised facility, get a Facility Supervisor to clean all blood contaminated surfaces and equipment.
- Any materials (including gauze, band-aids, paper towels, etc.) that come into contact with blood or other body fluids shall be handled while wearing gloves. Bloody materials should be placed in a biohazard bag and then deposited in the bio-hazardous waste container located in the Recreation Center.

- Club members with bleeding or oozing skin conditions should not treat injuries.
- Any time bio-hazardous waste is created, it must be reflected in the Accident Report Form.

- When thunder is heard or a cloud-to-ground lightning bolt is seen, suspend play immediately. Wait at least 30 minutes prior to resuming play. If subsequent thunder is heard or lightning is seen after the beginning of the 30 minutes count, reset clock and wait another 30 minutes.
- If the campus should close while a Sport Club activity is in progress the game should be suspended and send everyone home. If the weather is making travel more difficult by the minute, suspend play and take note of game status (time remaining, score, etc.).
- Try to reschedule the event and contact the Sport Clubs Coordinator, regarding the cancellation.

FACILITIES AND SERVICES

SCHEDULING ON-CAMPUS FACILITIES
All Sport Clubs are responsible for checking availability and scheduling for their own practices and competitions with the appropriate person. If a team is facing scheduling challenges, they should notify the Sport Clubs Coordinator. If a team does not have the appropriate paperwork completed or is facing disciplinary actions, the Sport Clubs Coordinator has the right to call schedulers to cancel practices or competitions.

Recreational Sports facilities are primarily for use by Lamar University students, faculty and staff. All requests are processed on a first-come, first-served basis. The following is a chart of Lamar University Faculty and Staff to speak with about reserving indoor and outdoor facilities:
All Sport Club reserving space off campus must not finalize any reservations with a 3rd party without meeting with the Sport Club Coordinator. This ensures clubs can meet the requirements an off campus facility requires, such as a rental fee, maintenance obligations, etc. Clubs must receive approval from the Sport Club Coordinator prior to reservation of these facilities.

Misuse of equipment and facilities as well as inappropriate conduct and actions while participating in any club activity will jeopardize the club’s status as a Club. Any club using a facility is required to clean the facility following use.

**EVENT REGISTRATION REQUEST**

Each University academic and administrative unit sponsoring an event, whether located on or off campus, should register the event not later than thirty (30) days prior to the commencement date of the event.

Any events, such as camps, that includes minors under 18 years of age, requires all members of the organization, working that event, to be trained in working with minors and have background checks down.

FUNDRAISING

Sport Clubs teams may conduct fundraising events on or off-campus, provided the project is consistent with the purposes of the student organization and in agreement with University policy. To become a successful fundraiser, it is crucial to be organized.

IF RAISING FUNDS OFF-CAMPUS, THE ORGANIZATION MUST COMPLETE AN OFF-CAMPUS SOLICITATION POLICY Form. File is located in Sport Clubs Files in Sport Club Files folder.

Some questions to ask yourself when you begin thinking about planning a fundraiser are:

1. WHY ARE YOU DOING THIS EVENT?
First, it is important to know why you are having a fundraiser. Do you need the money or is this event tradition? Use this as a goal to motivate your club to finish their tasks on time and take the effort seriously. For example, if you are raising money to go to a competition, place fliers around campus. Make the competition a part of your team’s goals for the year.

Talk about the event with your teammates often. Build up excitement in your group by making the planning of the event fun—and involve food! What are some reasons for you to raise funds? What do you hope to accomplish with additional funds this year?

2. WHO HAS THE MONEY?
Answering this question will lead you on the right track toward raising money. List different organizations that are potential sources of funds for your club. Target your fundraiser to reach them at the same time. Are you going to focus on one organization or several at the same time? What do they have in common? Where do they overlap?

3. HOW ARE YOU GOING TO REACH THESE GROUPS?
This is your product or service for your fundraiser. It can be anything from t-shirts to product endorsement or corporate advertisement. Whatever you decide, make sure that it fits with your target group. What are some items that could reach this target group? What could I give or assist this organization with?

4. WHEN SHOULD THIS HAPPEN?
Choose a date for your fundraiser; think about how the day can benefit your target group. For example, if you are having a bake sale, maybe the weekend is not the best time. Try to be as detailed as you can be about choosing a time that will expose your fundraisers to the most people in your target area. This date will also serve as a deadline for you to finish the planning process of the fundraiser. Start early; the sooner you begin planning and accomplishing tasks, the more organized and successful your fundraiser is likely to be.

5. WHERE IS A GOOD PLACE FOR YOUR FUNDRAiser?
This should fit with where your target group is found. For example, if your target group was students and faculty, then a residence hall is not the best place to have your event. Reserving a room in the Setzer Student Center can be a great alternative, so start early and reserve your space ASAP.
6. WHAT NEEDS TO HAPPEN IN ORDER TO MAKE THIS IDEA BECOME REALITY?
Make a list of what needs to be completed in order to accomplish your fundraising idea. Assign a deadline for every item and delegate tasks for people in your club to complete. Get your team involved and give them plenty of time to finish their task. Follow-up with those assigned tasks so that items do not become forgotten and use other people in the group to help hold teammates accountable. Keep your team focused by reminding them of the fundraiser’s purpose (Step 1).

SPONSORSHIPS AND DONATIONS

SPONSORSHIPS
Corporate sponsorships are a valuable fundraising source. Written proposals should be professional and well thought out before requesting funds from a sponsor. Finding a corporation willing to give money or product to help in the success of a club can often be a frustrating and time consuming endeavor. Once accomplished, sponsorships are invaluable in helping clubs reach their goals.

If the sponsorship requires using a corporate logo on a jersey or T-shirt, you should receive a letter from the corporation or organization stating that it gives your team permission for the logo to be used. The corporate logo may not be larger than the University’s name on the uniform or jersey.

**ALCOHOL AND TOBACCO SPONSORS ARE NOT ALLOWED**

THE FOLLOWING ARE GUIDELINES FOR SOLICITING AND MAINTAIN LONG-TERM RELATIONSHIPS WITH SPONSORS

1. Identify companies most likely to sponsor your team.
   - What other clubs or organizations have they sponsored?
   - Do you know someone in the company or an alumnus?
   - Are they interested in the college market?
2. Get the name, title, and address of the company contact.
   - Make sure the contact name is spelled correctly.
   - Make sure the title is correct and the company name is correct.
3. Send a letter.
4. Follow up with a phone call.
   - Give the contact a week or two to receive your letter.
   - If you receive the sponsorship go to 5.
   - If you don't receive the sponsorship, find out why.
   - If they don't sponsor your type of group, thank them for their time. If it is a matter of timing and budgeting, find out when the corporation should be contacted for the future.
5. After receiving the sponsorship, send a thank you letter.
6. Make sure to give the sponsor everything that was promised for their sponsorship.
7. Take pictures; send the sponsor copies of anything with their name on it.
8. Invite the sponsor or a representative to any special events or the event they sponsor.
9. Follow up the season with a year-end recap.
10. Thank the sponsor once more, and ask for their sponsorship for the following year.
BANK ACCOUNTS

1. **ON CAMPUS (MANDATORY)**
   It is *mandatory* that Registered Student Organizations that do not hold a 501(c)(3) status (*A recognized status by the federal government*) have a bank account with the Office of Student Organization Services. The Student Club Account is a free banking service provided to Registered Student Organizations.

2. **OFF CAMPUS MANDATORY**
   Registered Student Organizations that can furnish proper documentation of 501(c)(3) status may have an off-campus account. The organization must send proof of 501(c)(3) status to the Office of Student Organization services before they will be allowed to open an off-campus account.

Because the university does not regulate off-campus accounts for student organizations, it's important to establish financial controls to limit the risk of mismanaging organization funds, specifically to prevent the use of funds for personal gain.

DONATIONS
Gifts to student organizations are not considered gifts to the University; they are considered gifts to the student groups, which, in most cases, are not non-profit organizations with the ability to issue tax-deductible receipts. For more details about donations, consult the Student Organizations Handbook.

*Lamar University Funds CANNOT be used for the following (please note, this is not a complete list):* Salaries for coaches or instructors, any event where alcohol will be served or jerseys. **HOWEVER, funds raised by the club may be used towards these items except alcohol.**

OTHER GUIDELINES

CLASS ABSENT REQUEST REQUESTS
Occasionally, club members will need to be absent from classes in order to attend scheduled Sport Clubs competitions. At such times, club members can prevent misunderstandings and academic difficulty by obtaining a letter from the Sport Club Coordinator verifying the club’s plans to travel and compete.

*Club members MUST inform instructors 15 DAYS in advance of the event prior to giving them a class absence letter.*

To avoid a negative situation, club members are highly encouraged to discuss class absences as a result of Sport Club participation with their professors in advance. Club members are responsible for all work missed during their absence and are required to comply with their instructor’s demands for rescheduled or make-up exams and assignments.

**AT LEAST 15 WORKING DAYS PRIOR TO NEEDING THE PERMISSION LETTERS, A CLUB REPRESENTATIVE MUST SUBMIT A SPORT CLUB TRIP ITINERARY THAT WILL INCLUDE THE FOLLOWING INFORMATION:**
- Club name.
- Name of the scheduled tournament or opponent.
- Location of the tournament/contest (city and state).
- Tournament or contest date.
- Estimated time of departure and return.
- Names (first and last) of all students who will be traveling.
- Professors needing notification.

Any student that does not have a completed participant packet on file in the Sport Clubs office will not be given an excused absence letter. The Class Absence Request letters will be typed on Department of Recreational Sports letterhead and signed by the Sport Clubs Coordinator. Copies for each student can be picked up 5 days after submitting the request.
