Move In Day

Twenty-seven of our 50 new Cardinals made their nests in Morris Hall this week. We are so happy you are here! A special thanks to the parents who carried boxes, decorated dorms, shared photos and made quick trips for forgotten items.
Student Orientation
After learning lots of things that Academy students do and a few things not to do, we enjoyed some good food and icebreaker games. This is going to feel like a family in no time.
Kick-off day started with gray skies but we persevered. We played games to learn each others' names, tossed water balloons and explored campus on a scavenger hunt.
Water Balloon Pass
