13th Annual EXPO 2026

Exhibition of Undergraduate Research and Creative Activities

The 13th Annual EXPO for Undergraduate Research and Creative Activities gives LU students the chance to connect with companies from the local area and explore future career opportunities!

Companies with a keen interest in Lamar students' education and their practical training in various areas can use EXPO 2026 as an opportunity to connect with our community!

Join us at EXPO 2026 for a chance to:

- Meet companies from the local area
- Talk with company representatives
- Learn about job and internship opportunities
- Discover what different industries look for
- Connect your education with real-world experience
